

Solon Lakeview-Intermediate PTO & Solon Secondary Schools PTO

Membership Form

The Solon PTOs support Solon Community School District students through volunteering and raising money. Our efforts directly support classrooms and assist in providing an excellent educational experience for all students. PTO members are eligible to vote at PTO meetings representing students in which your child(ren) attend. PTO members also receive one complimentary Solon Student Directory with their membership. The PTOs sponsor the distribution of the Solon Student Directory (Orange Book), which is great for arranging parties or playdates and keeping in touch with classmates during summer break.

Please print your information clearly. For returning families, *circle any information that changed from last year.* By filling this out, you are giving the PTO permission to print your information in the Solon Student Directory.

Parent/Guardian Name(s): _____
 Address: _____
 Phone: _____
