April 13, 2021

Dear Windsor Families:

Thank you for your patience regarding assessment for the 2020-21 school year.

For English Language Arts and math, Local Education Agencies **may report results from a different assessment that meets the criteria** established by the State Board of Education on March 16<sup>th</sup>. As a reminder, the assessments must be:

- Aligned with California Common Core State Standards for ELA and mathematics;
- Available to assess students in grades three through eight and grade eleven;
- Uniformly administered across a grade span, school, or district; and
- Provide results that can be reported to parents/guardians, educators about individual students, and to the public by school and by district and are disaggregated by student group.

In lieu of administering the Smarter Balance Summative Assessment, WUSD will instead administer the following:

- MWE, BES, WMS, WHS, NBMA, & WOA: i-Ready
- CCLA: Renaissance
- NCC: California Alternative Assessment (CAA)

As a reminder, all multi language learners will need to take the English Language Proficiency Assessment for California (ELPAC) summative assessment by July 30th, 2021.

The California Science Test (CAST) will not be administered.

If you have any questions, please do not hesitate to contact your child's principal.

Sincerely,

Lisa Saxon  
Director of Educational Services
