

Stony Brook Families, Students and Staff,

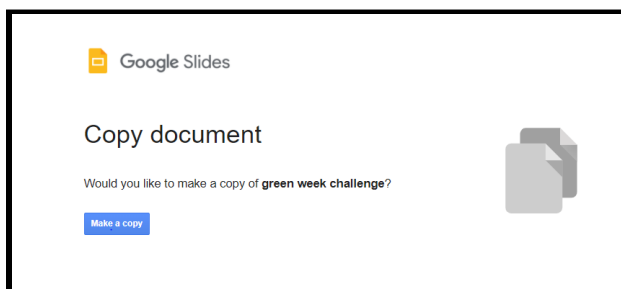

This Monday, April 19, Hopewell Valley will kick off our inaugural Hopewell Valley Green Week. You can visit our [website](#) to learn more about our plans for the week and events in Hopewell Valley. Earth Day is Thursday, April 22 this year, but we have a week-long schedule of activities and events for students, staff and families.

Here at Stony Brook, Mrs. Susan Hammill, our STEM facilitator, along with our All Star Staff, invite you to participate in the SB Green Week Challenge.

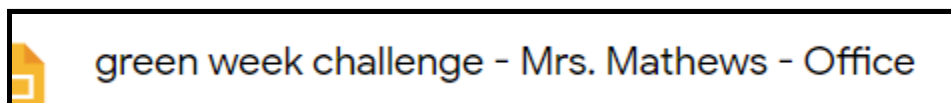

Here's how to join:

Click on this [link](#).

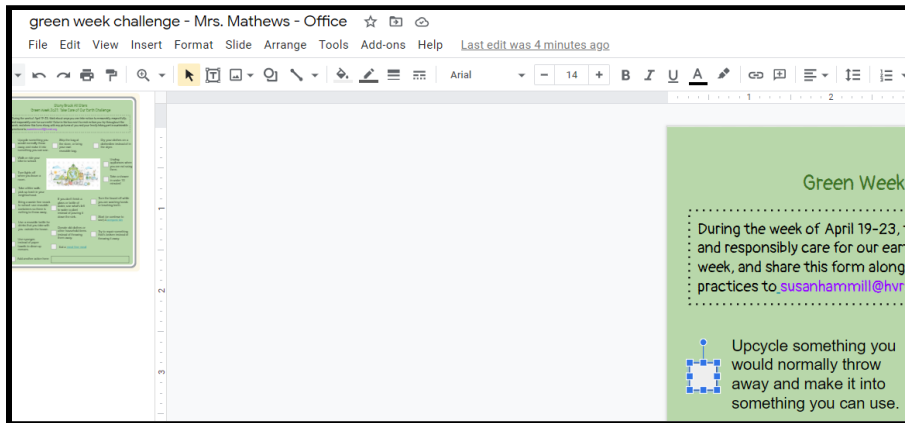

The first screen you will see will ask you to make a copy of the slide. Please make a copy (blue box).

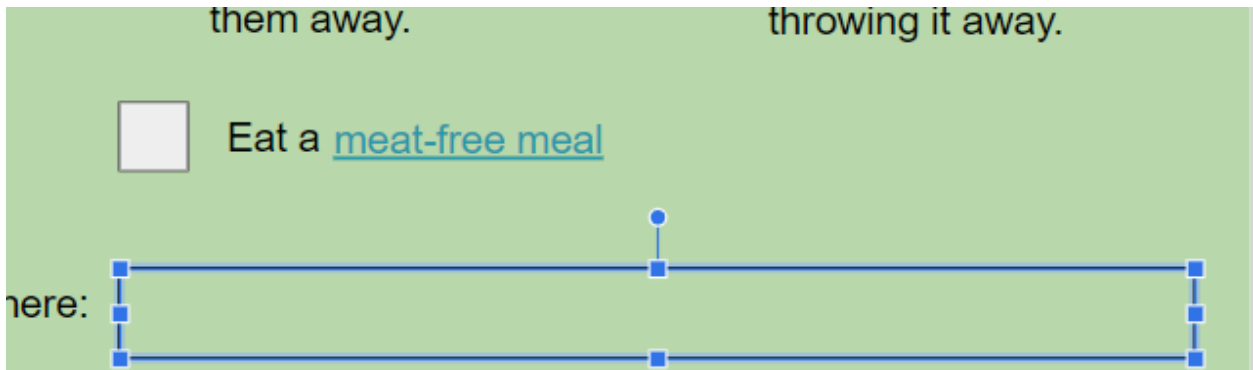

Then Rename the slide with your name/teacher. Example.

When you complete a task, color in the box with the paint can.

Fill in the text box if you have another action you did to care for our earth. Click on blue words to link to a new website that will give you more information about that action.

Please share your **completed form** to : susanhammill@hvr by Wednesday, April You can also share **pictures** of you and your family completing some of these sustainable practices!
