Highland Community Schools 4K Screening/Registration

If you have a student or know someone who meets the following criteria they are eligible to attend school during the 2021-22 school year.

- Students who will be 4 years old by September 1, 2021.
- Students who will be eligible to attend 5-year-old kindergarten in the fall of 2021 who **did not** attend 4-year-old kindergarten this year.
- Students who will be 3 years old by September 1, 2021, and may have developmental concerns.

In lieu of our normal play day 4K screening, we are going to opt for a COVID friendly screening process instead. We are asking parents to register their child(ren) starting April 13 - April 23rd online. Please use the proper link below to complete the registration. After you have completed the registration, we will mail home paperwork to fill out. If you have any concerns about your child's development please contact Lindsay Jackson, School Psychologist, as soon as possible at 929.4525. If you have questions regarding the online registration processes, please contact Brad Tucker or Barb Hying at (608)929-4525.
