

Metrics for school return					District Metrics Committee		
1. Points are awarded for Warren County positive cases per 100K and Test Positivity. * Data is on a two week lag					Jenna Link	WCHD	
2. Combination of those two metrics point values will determine school "status".					Jenna Roberts	District Nurse	
3. A "new" status in 1 week triggers an "alert" message to the District metrics committee					Ryan Westart	Teacher	
4. A "new" status for 2 consecutive weeks triggers the following:					Chris Schwarz	Principal	
A. Meeting of District metrics committee to consider internal data					Joel Johnson	Board Member	
B. Will look at Knox, Mercer, Henderson County same data for "regional" trend					Amelia Tierney	Board Member	
C. Recommendation from that committee will be considered					Jeff Whitsitt	Superintendent	
Objective set of internal data driven conditions that would necessitate change in concert with community based data..
