Emergencies come when we least expect them but we can be informed, make plans and be better able to take action if we prepare ahead of time. Some simple things like building an emergency supply kit, creating a family communication plan and practicing fire drills at home can help you and your family stay safe in the event of an emergency.

To help you and the community get better prepared for emergencies, members from the Fire Dept., FAST squad, Lyme Parish nurses and Emergency Management will be kicking off the Ready, Set, Go! campaign.

Join us September 26th from 9AM to 2PM at the last Flea Market of the season on the Lyme Common.

All Lyme households and employees that stop by will receive a free Go-Bag to carry their winter-driving emergency supplies, funded by The Lyme Foundation and the Town of Lyme. Lyme Home and Hardware will have a store display with recommended emergency supplies, and a raffle will be held for an outfitted winter driving emergency “Go Bag”.

Look for the October follow-up activity “Are you Ready, Set to Go?” for The Lyme School students.

For more information on emergency preparedness you can also go to ready.gov and readynh.gov.

While you’re at it, consider signing up for NH Alert and Code Red on readynh.gov so that you can receive severe weather warnings and public safety notices.

Be informed, make a plan, and take action because emergencies don’t come with instructions!

We would also like to acknowledge the following for their contribution to this event:

- The Lyme Foundation
- The Lyme School
- Those Guys
- Community Care of Lyme
- Tracy Flickinger Illustration
- Girl Scout Troop 50175
- Boy Scout Troop 273

Note from the Nurse’s Office:

Welcome to Nurse Knaus!

We are proud to introduce Rose Knaus (the “K” is NOT silent) to our school. Despite that fact that she is new to this position, she is no stranger to the school as she is also the mother of Ellie (grade 4) and Wyatt (grade 6). Rose comes to us with a variety of experience most recently at Dartmouth Hitchcock in their Outpatient Surgical Center.

We are very excited to have Rose join us, continuing the reputation our Nurses’ have established as a caring resource for students, teachers and parents. Welcome, ROSE!
Red Cross Babysitting Certification Class
Saturday, October 24th from 8:30am to 3:30pm
