

Hello Edgewater Community,

The Edgewater School District values our partnership with families and the community and recognizes that students thrive when they're supported by a network of adults working together to create safe, caring, and growth-minded environments. We ask that you please complete the survey linked below **by Friday, November 4th**. This information will help guide our work throughout the school year.

Additionally, it is the time of the year when we honor one teacher in each building for their passion, positivity, caring, and dedication to our students. If you would like to nominate a teacher that you think deserves to be recognized as the Governor's Educator of the Year, please fill out the attached form and send it to the building principal by November 10, 2022.
