Welcome to the open forum portion of our meeting. We appreciate your interest in participating in this conversation time with the Springfield School District RE-4 Board of Education. A sign-up sheet was provided at the entrance to the Board meeting for all persons wishing to address the Board. It is requested that comments be limited to five minutes per speaker. Patrons are invited to share comments with the Board in an orderly manner that is consistent with the respect and dignity that should be part of a Board of Education public meeting. The Board will require that speakers and audience members adhere to basic standards of civility and, with limited time available, as the Board President, I may need to limit or terminate discussion to maintain decorum or to give as many people as possible the opportunity to speak. The Board will not take any action during this time. It is the preference of the Board that comments concerning District personnel be addressed in executive session. Discussion of individual students must occur in executive session. Please inform the Board if you intend to make comments concerning District personnel or students so those comments may be heard in executive session.
