Comments: Schools from all over the state come to this meet because it is held on the WSU campus at the same site as the State Track Meet in May. Competition is split into a 4A-5A-6A Division and 1A-2A-3A Division as well as an Elite Division made up of the top overall entries in the meet. For the 4th time in a row we had athletes qualify for the Elite Division: Lauren Schutter in the Long Jump and Triple Jump and Sienna Jones in the Triple Jump. Lauren earned our first ever Elite Division medals by winning both of the jumps!

Overall our results were a little up and down. We had a beautiful evening on Thursday and put up 3 PR's out of 4 events we were entered in that evening. Then on Friday we had a consistent rain through most of the meet, and PR's were harder to come by although we picked up a few more.

This meet is always a good experience for our athletes and I think we learned the importance of attention to details. The competition and the opportunity to compete at the site of the State Track Meet will be of benefit to us later this season. We've got a busy week ahead with meets at Jackson Heights on Tuesday and Rossville on Friday.
