Cove School

SAFE ROUTES TO SCHOOL PLAN

WALK AUDIT + INTERACTIVE ONLINE MAP

How does your student get to school?

The City of Cove was recently awarded planning assistance from the Oregon Department of Transportation to create a Safe Routes to School (SRTS) Plan for Cove School. This is an opportunity to make our streets safer and more comfortable for students and families to walk and bike.

Share feedback online!

Tell us about your experiences getting to school using our interactive online map. Your feedback will help identify the locations and routes that should be prioritized for safety improvements.

**To access the map, visit
odotsrtsprojectid.com**

Join us for a walk audit on May 5th!

Attend socially-distant walk audits at Cove school to observe student arrival and dismissal and document the walking and biking conditions around the school area. Please note that masks are required for participation.

**To participate in this walk audit, please
RSVP at bit.ly/covesrts.**
