

Act 1240 Digital Learning Waiver Request

Status: Submitted to ADE DESE

 Westside School Dist(Johnson) (3606000)

School Year 2021-2022

Applications will be reviewed in the order received. Incomplete applications will be returned to the district.

A notification letter will be sent to the superintendent at the email address listed above upon approval by the Arkansas State Board of Education.

NOTE: The approved application must then be posted on the district website - State Required Information.

District:**LEA #:**

3606000

Superintendent:

Bradley Kent

Email:

bkent@westsiderebels.net

Phone:

(479) 497-1991

Duration Requested (not to exceed five years):

1 Year

(School year 2021-2022 to 2022-2023)

The proposed waiver(s) will apply to the following schools:

LEA(s)	Grades/Courses	Interaction	Delivery	Platforms
3606025 - Westside Elementary School	K-6 7-12	Asynchronous	Virtual (Online) / Remote (Distance)	LMS
3606026 - Westside High School		Synchronous		

Waivers

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
Attendance			6-18-213(a)(2)	<p>The Westside School District will utilize online virtual (remote) learning through the ESC K-6 Virtual option. The program will provide instruction using a dual model of both synchronous and asynchronous online learning. Students will engage in digital coursework through the Red Comet - Buzz Learning Management System (LMS). All students will have the opportunity to participate in live Zoom sessions for synchronous learning with the teacher. All learning and instruction will be virtual. Due to the nature of asynchronous learning, the district requests the attendance waiver. Attendance in ESC K-6 Virtual option will be measured through engagement. Students who are consistently not engaged may be removed from the virtual option and returned to onsite instruction.</p> <p>The Westside School District will utilize online virtual (remote) learning through the Virtual Arkansas option for grades 7-12. Recess (Waiver applies to virtual/remote students only)	1-A.4.3	DESE Rules Governing Nutrition and Physical Activity Standards and Body Mass Index, Section 7.11	6-6-102(a)(5)	Physical activity and nutrition standards will be imbedded in the curriculum of classes as is appropriate. Required health screenings will

Digital Model

Please complete the following application with responses describing the school and district digital programming.

Interaction / Delivery

What are the ways teachers and students will interact with digital content (Synchronous or Asynchronous)? Please describe instructional expectations and participation for students.

The Guy Fenter Education Service Cooperative (ESC) K-6 Virtual option is a dual learning virtual experience with both synchronous and asynchronous instruction. This model allows for flexibility with learning, student-teacher relationships, and targeted learning for all students. Students will have the opportunity to attend three Zoom sessions per week for each core content course and one Zoom per week for enhancement courses (i.e. Music, Art, PE). All K-6 virtual students will be required to attend a minimum of one Zoom session per week per content area.. It is highly encouraged that students attend all Zoom sessions each week. Research shows that students who attend Zoom sessions are more successful than students who do not attend Zoom sessions. Teachers and students will be able to communicate twenty-four hours a day using the Red Comet - Buzz Learning Management System or through the ESC email system. Virtual teachers and/or paraprofessionals are expected to communicate with parents and students in the Guy Fenter ESC K-6 Virtual program on a daily basis Monday - Friday.

Virtual Arkansas is a virtual learning experience that harnesses the benefit of synchronous or "live" instruction married with aligned asynchronous courses. This allows for students and instructors to develop relationships, address needed "just-in-time" instruction, and flexibility with learning. At the High School level, students are provided the opportunity to attend two Zoom sessions per week, per content area, and request additional one:one Zoom sessions as needed. While Zoom sessions are not required, they are highly encouraged as empirical data has shown students who attend Zoom are shown to be more successful than students who do not attend Zoom. All

What delivery approach will the school or district utilize to meet the needs of both teachers and students (i.e., virtual (online) / remote (distance) or blended (hybrid)? Please explain.

The Westside School District will utilize online virtual (remote) learning through the Guy Fenter ESC K-6 Virtual option. The program will provide instruction using a dual model of both synchronous and asynchronous online learning. Students will engage in digital coursework through the Red Comet - Buzz Learning Management System (LMS). All students will have the opportunity to participate in live Zoom sessions for synchronous learning with the teacher. All learning and instruction will be virtual.

Westside School District will utilize online virtual remote learning for grades 7-12 through Virtual Arkansas. Virtual Arkansas utilizes a synchronous and asynchronous approach or true blended model to online learning. Students will engage in their digital coursework through the CANVAS Learning

Will teachers be dedicated to primarily remote instruction or serving in a dual role, teaching both remote and in-person learners?

*If teachers will serve in a dual role, describe whether it will be simultaneously, meaning remote and in-person at the same time with course/schedule specific considerations.

The Westside school district will utilize the Guy Fenter ESC K-6 Virtual option for delivery of instruction for students that are 100% virtual. The Westside school district will provide an Arkansas certified teacher of record and a District Point of Connection. School Districts should explain who they will use as the Point of Connection and their role within the district. The Guy Fenter ESC K-6 Virtual option will provide training and support for the District Point of Connection. The Guy Fenter ESC K-6 Virtual option will have Arkansas certified teachers as the instructors for all course content from the Red Comet - Buzz LMS. The Guy Fenter ESC K-6 Virtual option is a model with synchronous targeted instruction partnered with asynchronous course content and enrichment. All Guy Fenter ESC K-6 Virtual teachers and paraprofessionals will be required to participate in professional development and digital training with support from the Guy Fenter ESC K-6 Virtual Coordinator.

Westside School District will be using Virtual Arkansas for its delivery of instruction for our 100% virtual students in grades 7-12. Virtual Arkansas provides a fully certified Arkansas teacher of record while we provide the facilitator. Westside School District will provide paraprofessionals as

Describe the expectation for teacher instruction, interaction, and frequency with virtual students.

Guy Fenter ESC K-6 Virtual option students will be required to attend a minimum of one Zoom session per week per content area. It is highly encouraged that students attend all Zoom sessions each week. Research shows that students who attend Zoom sessions are more successful than students who do not attend Zoom sessions. Teachers and students will be able to communicate twenty-four hours a day using the Red Comet - Buzz Learning Management System or through the Guy Fenter ESC email system. Virtual teachers and/or paraprofessionals are expected to communicate with parents and students in the Guy Fenter ESC K-6 Virtual program on a daily basis Monday - Friday. Guy Fenter ESC K-6 Virtual teachers are expected to monitor students and provide a weekly status report to students and parent/guardians, and initiate further contact with students that are demonstrating difficulties with course content. Guy Fenter ESC K-6 Virtual teachers are required to respond to parent/guardian/student communication within a twenty-four hour time period. All teachers are continuously provided PD and/or support for engaging and relevant synchronous instruction.

For students in grades 7-12 utilizing Virtual Arkansas courses, teachers actively monitor their courses, provide synchronous sessions and maintain

If utilizing district waivers for **class size**, what supports will the district put in place to support the teacher and students? How will the district monitor and determine if the supports are adequate for teachers who exceed class size in digital learning settings?

The Guy Fenter ESC K-6 Virtual option will utilize district waivers for class size. Each teacher in grades K-3 will be assigned a paraprofessional to help provide support to both the teacher and the students. Each teacher in the 4-6 grades will have a half-time paraprofessional to help provide support to both the teacher and the students. All Guy Fenter ESC K-6 Virtual option teachers and paraprofessionals will be trained on the Red Comet - Buzz LMS and provided support through professional development. The Guy Fenter ESC K-6 Virtual option Coordinator will also provide support for teachers and parents as needed.

100% virtual (online) or remote (distance) classes are considered large group instruction courses as per DESE Rules for Distance and Digital Learning and teaching load would not apply as per DESE Rules Governing Class Size and Teaching Load. The district will provide facilitators who work with Virtual Arkansas teachers to keep students in grades 7-12 on task, and/or local tutors

If utilizing district waivers for **teaching load**, what supports will the district put in place to support the teacher and students? How will the district monitor and determine if the supports are adequate for teachers who exceed teaching loads in digital learning settings?

School districts that are using the Guy Fenter ESC K-6 Virtual option as a digital learning solution for students that are 100% virtual will make it possible for teachers on-site in the district to focus solely on face to face students, and virtual teachers to focus solely on virtual/digital students. Each teacher in grades K-3 will be assigned a paraprofessional to help provide support to both the teacher and the students. Each teacher in the 4-6 grades will have a half-time paraprofessional to help provide support to both the teacher and the students. The teachers will utilize the paraprofessionals for communication with students and/or parent/guardians, instructional support, differentiation, etc. The Guy Fenter ESC K-6 Virtual Coordinator will communicate regularly with the District Point of Connection and building administrators, as well as perform multiple observations/evaluations to monitor the teacher and/or students. Information gathered through observations will be shared with each respective school district and adjustments made as needed.

By using Virtual Arkansas as the 100% digital learning for students in grades 7-12, the Westside School District will minimize the load/responsibility of instruction by allowing face to face teachers to focus on those students who are learning on-site.

Note: Virtual Arkansas partners with schools to ensure student success. In

Technology / Platforms

Identify the learning management system/content management system that schools and districts will use? (Canvas, Buzz, Google Classroom, etc.)

The Red Comet - Buzz Learning Management System (LMS) will be utilized for the Guy Fenter ESC K-6 Virtual option.

The Canvas Learning Management System (LMS) will be utilized through Virtual Arkansas. Additionally, Westside District uses the Google Classroom as its primary platform for student/parent/school communication. Students and parents in the virtual program will use Google Classroom for that purpose as

Describe the digital content that will be available to students, including any digital curriculum and supports that are available to teachers. If the district is using a content management system (CMS), please specify grades levels and subjects that the CMS will address.

The Red Comet Courseware curriculum is aligned to the Arkansas State Standards, Common Core, and the Next Generation Science Standards. Courses consist of direct-instruction videos, rigorous assignments, performance tasks, and assessments to engage all students. The Red Comet - Buzz LMS allows teachers to customize all courses to match district and/or state frameworks, scope and sequence, and pacing guides. The Guy Fenter ESC K-6 Virtual option teachers and paraprofessionals can monitor student progress using the Gradebook and Reporting features built into the LMS. Each teacher will have an Educator Dashboard that allows for full program management by student, subject, teacher, grade level, assignment, district, etc. School district administrators, District Point of Connection, and the Guy Fenter ESC K-6 Virtual option Coordinator have full access to the Reporting feature of the LMS as well.

Virtual Arkansas courses are designed and written by subject matter experts (SME's) and who are Arkansas Certified teachers. Virtual Arkansas courses and content are designed and developed using the Arkansas State Standards, Quality Matters standards, and the National Standards of Quality of Online

What video communication software is required for any remote student? Please describe the video communication software the teacher will use to facilitate live conferences between two or more participants.

The Guy Fenter ESC K-6 Virtual option teachers and students will be utilizing Zoom video software for all synchronous learning opportunities. The Zoom software/app is downloaded to the district provided device and checked out to each 100% virtual student. The Guy Fenter ESC K-6 Virtual option teacher will provide synchronous instruction sessions with students via Zoom during scheduled times throughout each week. The Zoom link and Zoom schedule for each course will be posted in a common location within each course for easy use by both students and parents/guardians.

Students will be utilizing Zoom video conferencing software to participate in synchronous learning sessions with their teacher. The Zoom software is downloaded to the district provided device. The Virtual Arkansas teacher will

Describe the technology access (device and connectivity) that will be provided to each digital learning student to ensure each student receives a free public education.

Each 100% virtual student will be assigned a district device. Students who do not have reliable internet service may apply for a district-issued hotspot. Wi-Fi will be available on each campus in posted areas.

Student Supports

Describe the manner and frequency the district or school will use to monitor the wellness and safety (food security, physical, mental health, etc.) of students in a total remote setting. (This may be in-person, video communication, etc.). Identify supports available to assist students within the district.

Guy Fenter ESC Virtual teachers are trained to employ actions and behaviors to ensure the physical and mental health of students. Guy Fenter ESC Virtual teachers will use a variety of methods of communication to do this and partners with schools to ensure students are cared for. When a situation arises where intervention is determined to be needed beyond what can be done virtually, Guy Fenter ESC Virtual teachers will contact the partnering school including the facilitator and counselor to step in to provide intervention. Guy Fenter Virtual teachers are trained to report any suspected maltreatment/abuse to the Department of Health Services. Additionally, the Guy Fenter Virtual option provides ongoing professional development to their teachers to support SEL strategies.

Virtual Arkansas teachers are trained to employ actions and behaviors to ensure the physical and mental health of students. Virtual Arkansas uses a variety of methods of communication to do this and partners with schools to ensure students are cared for. When a situation arises where intervention is determined to be needed beyond what can be done virtually, Virtual Arkansas will contact the partnering school, including the facilitator and counselor, to step in to provide intervention. Virtual Arkansas teachers are trained to report any suspected maltreatment/abuse to the Department of Health Services. Additionally, Virtual Arkansas provides ongoing professional

Describe the manner and frequency the district or school will use to monitor the academic and student engagement in a virtual setting. Describe the additional supports available for students struggling with engagement.

The Westside School District has access to the Red Comet - Buzz LMS to monitor students in real time. Virtual option teachers will initiate intervention when a teacher determines a student isn't actively engaging or successfully mastering the content. In cases where needed, Virtual option teachers will involve the partnering school through the Point of Connection, first. Guy Fenter ESC Virtual option coordinator will contact administrators if the initial intervention is not successful.

7-12: Westside School District has access to the Virtual Arkansas SIS and the CANVAS LMS to monitor students in real time. Virtual Arkansas teachers will initiate intervention when a teacher determines a student isn't actively engaging or successfully mastering the content. In cases where needed, Virtual Arkansas will involve the partnering school through the facilitator, first. Virtual Arkansas will contact administrators if the initial intervention is not successful.

Westside School District administrators will follow up with Virtual Arkansas,

Describe the Academic Response to Intervention plan for remote (virtual) students, including additional supports and personnel.

Guy Fenter ESC Virtual option teachers have been trained to identify and intervene with immediacy when a student is determined to not be successful. They are trained to deliver Tier 1 and 2 interventions and, if those are not successful, reach out to the partnering school regarding additional Tier 2 or Tier 3 interventions. Guy Fenter ESC Virtual option also has a PLC structure designed to address intervention with targeted intervention meetings that occur in the 4th and 7th nine weeks.

7-12: Virtual Arkansas teachers have been trained to identify and intervene with immediacy when a student is determined to not be successful. They are trained to deliver Tier 1 and 2 interventions and, if those are not successful, reach out to the partnering school regarding additional Tier 2 or Tier 3 interventions. Virtual Arkansas also has a PLC structure designed to address intervention with targeted intervention meetings that occur in the 4th and

Describe the district or school's formative assessment plan to support student learning.

Guy Fenter ESC K-6 Virtual Option has periodic formative assessments, checks for understanding, and pre-tests to determine students' mastery of learning throughout the modules of a course that are aligned to the summative module assessments. There are varied methods of assessment utilized both through the asynchronous course with open ended discussions/assessments, choice response activities, multiple choice, and hybrid assessments(open ended and multiple choice). Teachers also use weekly live Zoom to do informal formative checks to ensure clarity for students on asynchronous learning tasks.

7-12: Virtual Arkansas courses have periodic formative assessments, checks for understanding, and pre-tests to determine students' mastery of learning throughout the modules of a course that are aligned to the summative module assessments. There are varied methods of assessment utilized both through the asynchronous course with open ended discussions/assessments,

Describe how dyslexia screening and services will be provided to digital learning students.

Guy Fenter ESC K-6 Virtual Option provides accessibility tools to support students with dyslexia. Dyslexia screening is provided virtually by the dyslexia interventionist at the student's home school or by district staff. Digital learning students identified with characteristics that could be associated with dyslexia are grouped with other students from their home school who have similar assessment results. Digital students receive a daily ZOOM invitation to participate in their group's intervention session at the designated time.

7-12: Virtual Arkansas provides accessibility tools to support students with

Describe how Gifted and Talented supports and services will be provided to digital learning students.

All GT Standards will be followed when designing programming for identified gifted students. The policies of the partnering school district will be followed for virtual students. K-2 students will receive their 30 minutes of enrichment provided by a teacher who has completed the Teaching Differentiation & Growth Mindset in the K-2 classroom training. The teacher will document any evidence of gifted characteristics and share with the partnering school district. Any parental referrals for gifted testing will be made to the partnering district according to their policies. If a student is referred for gifted services the testing the creation of a testing portfolio will be the responsibility of the partnering school district the student attends. Identified gifted students will have the option to participate in on-campus Gifted and Talented classes as approved by the district and/or will be served through the consultant teacher model in their virtual classes. For the consultant teacher model a gifted educator from the partner district will work with the virtual teacher in developing management plans, providing demonstration lessons and supervising the gifted students progress.

All current Virtual Arkansas teachers have been trained with the GT Secondary Course Content training and have support for gifted learners provided within the course as well as a representation of those learning

Describe how English for Speakers of Other Languages (ESOL / ESL) supports and services will be provided to digital learning students.

The Westside School District ESOL teachers and paraprofessionals will provide support for English language learners in the ESC K-6 Virtual option. The ESC Virtual option Licensed teachers and trained paraprofessionals—under the supervision of district ESL coordinators—work with students to increase their language skills in speaking, listening, reading, and writing. Professional development is provided for teachers and paras to support the language development and academic needs of English language learners. In addition, support is provided for the parents to be fully engaged in their child's education by providing them with training, information, and translation services through Cafecitos and Family Literacy. The Guy Fenter ESC K-6 Virtual option provides accessibility tools to support ESOL/ESL and will provide the needed accommodations/modifications per the individual LEP uploaded into the SIS by partnering schools.

7-12: Virtual Arkansas provides accessibility tools to support ESOL/ESL and will provide the needed accommodations/modifications per the individual LEP uploaded into the SIS by partnering schools.

Westside School District ESL/ESOL staff will support qualifying students in

Describe how all Special Education services and supports will be provided to digital learning students, including the process for special education evaluations and conferences.

The Westside School District Special Education teachers and paraprofessionals will provide support for IEP students in the ESC K-6 virtual option.

Special Education services and supports will be determined by the student's IEP committee. This committee will determine the method of delivery of services. Accommodations will be provided through the Red Comet - Buzz LMS. Students will be scheduled on-site for special education evaluations. Conferences will be conducted virtually if possible.

Virtual Arkansas teachers will provide information for evaluations and conferences when requested. Westside School District will upload the modification/accommodation sheet to the Student Information System (SIS) within the first 10 days of school or enrollment if enrollment occurs after school begins. Virtual Arkansas courses are designed in such a way that all applicable accommodations/modifications can be met in the course in conjunction with services provided by the partnering school. The Westside School District Special Education teachers and paraprofessionals will provide support for IEP students in the Virtual Arkansas option. Special Education

Describe common and frequently used digital accommodations that the district or school has provided to general education teachers to assist students in digital learning classes.

Digital accommodations include but are not limited to: digital copies of notes, text to speech embedded in the learning platform, internet browser text reader, extended time on assignments, flexible assignments, and adaptive intervention resources.

7-12: Virtual Arkansas courses meet the guidelines of IDEA and Section 508. All courses are evaluated for accessibility using Web Content Accessibility Guidelines. Additionally, Virtual Arkansas utilizes embedded tools including ReadSpeaker to provide for students who need content read aloud. Virtual Arkansas also follows the Universal Design for Learning Principles to eliminate both visible and invisible barriers to learning. Westside School District IT staff will ensure that devices meet the needs of the student in

Teacher Supports

Describe district and school supports to provide on-going digital content and instructional supports for teachers.

The Westside School District will utilize the Guy Fenter ESC K-6 Virtual Option as the digital content and instructional solution. The ESC K-6 Virtual Option will incorporate training for the usage of the Red Comet - Buzz LMS and virtual instructional strategies. All Guy Fenter ESC K-6 Virtual personnel will participate in both directed/scheduled and embedded professional development activities, book studies, and weekly collaborative teams. The Guy Fenter ESC K-6 Virtual Option will collaborate with a team of instructional and digital content experts for in-time support for all teachers. Finally, the Guy Fenter ESC K-6 Virtual Option will have a team of technology support specialists to assist with any technological issues.

7-12: Westside School District will be utilizing Virtual Arkansas for grades 7-12 as our digital content and digital instruction solution. Virtual Arkansas provides robust online teacher training and development for all new teachers entering the field of online teaching. All Virtual Arkansas teachers are

Identify the daily or weekly amount of time teachers will need to develop and plan for instruction based on options selected and digital supports provided. How will the district support teachers with digital content and planning?

The Westside School District will utilize the Guy Fenter ESC K-6 Virtual Option. The Guy Fenter ESC K-6 Virtual Option will, at minimum, follow the guidelines and policies set by the state of Arkansas in regards to teacher planning time (40 minutes per day). The Guy Fenter ESC K-6 Virtual Option will provide instructional and digital content support for point-in-time support for all teachers.

The Guy Fenter ESC K-6 Virtual Option will utilize curriculum developed by faculty members and subject matter experts within the Red Comet - Buzz LMS which are aligned to Arkansas state standards. The Guy Fenter ESC Virtual option will provide professional development to aid personnel as they provide instruction to the students.

Westside School District will be utilizing Virtual Arkansas for our digital content and digital instruction solution for grades 7-12. Virtual Arkansas teachers will utilize curriculum developed by Arkansas subject matter experts

District Supports

Describe how the district will ensure equitable access to opportunities for success for digital learner's needs (poverty, homelessness, migrant, foster care, and military connected students) A link (URL) to the district equity plan may be acceptable if it meets this criteria.

The local school/district will provide all appropriate testing and support services for qualifying students. The Guy Fenter ESC Virtual Option teachers will provide the appropriate testing data, classroom instructional services (as outlined by the appropriate documentation, ie, the IEP), and accommodations as necessary.

All students are expected to test (statewide summative assessments) onsite as per DESE guidance. Provide an overview of how the district may communicate to parents and test digital learning students at a district site.

All Guy Fenter ESC Virtual Option students will be required to do statewide summative and school/district required testing (NWEA MAP, Istation, etc..) at the building/district site. These tests will be conducted and monitored by the school/district personnel. All testing data will be shared by the school/district for analysis by the Guy Fenter ESC Virtual Option personnel.

Virtual Arkansas requires trained proctors for major assessments. Westside's plan for students to take proctored assessments includes providing a facilitator to : proctor major assessments, communicate with students and parents regarding upcoming assessments, communicate with students and parents regarding upcoming assessments, and schedule time/date for the assessments. The district test coordinator and building principals will communicate with students and parents regarding required statewide summative assessments. District personnel will share data with Virtual Arkansas for analysis.

Provide a detailed explanation of how the district will monitor and evaluate the effectiveness of the digital option(s) and the fidelity of implementation as described within this application.

The Guy Fenter ESC K-6 Virtual Option will monitor and evaluate the effectiveness of the digital option and the fidelity of implementation by conducting surveys of parents, schools, and students. The Guy Fenter ESC K-6 Virtual option will analyze student data such as common formative assessments, LMS work, and school/district specific assessments used for formative and summative purposes in order to evaluate the effectiveness of the program.

The Westside School District will monitor and evaluate the effectiveness of the digital option and the fidelity of implementation by conducting surveys of parents and students. Westside will analyze student data from ACT Aspire, ESC K-6 Virtual option grades, school/district specific assessments used for formative and summative purposes in order to evaluate the effectiveness of the program.

7-12: Virtual Arkansas provides the partnering school with access to the SIS and CANVAS LMS. Facilitators are trained to pull grades from the SIS weekly to monitor student progress. Additionally, parents can access student grades through the Canvas App. Teachers send weekly reports via the SIS messaging that is sent to both student and parent email.

Describe how the teacher(s) will engage families into the digital learning process. (District may link the District Engagement Plan if digital learning is included. The plan must address how the district will support parents/students with digital tools and resources)

The Guy Fenter ESC K-6 Virtual Option will engage families into the digital learning process by granting access to the parent portal of the LMS to monitor their student's progress. The Guy Fenter ESC Virtual Option will conduct a parent orientation which will address key strategies for engagements and success in the virtual format. Families will be asked to complete surveys and participate in feedback forums for the program. The Guy Fenter ESC Virtual Option faculty will also conduct parent/teacher conferences as required by state standards.

The Westside School District will support parents and students with digital tools and resources including, point in time technical support for hardware and software issues, maintenance and support of the district LMS, access to district Wi-Fi available on campus and at alternate locations throughout the district as needed.

Additionally, Virtual Arkansas provides parent/guardian informational webinars throughout the school year for families of students in Virtual
