Three Year Action Plan

After analyzing all relevant data, the district will use the spaces below to develop a three year action plan to address identified needs . Refer to Appendix B for resources to support plan development.

Focus Area: Recruiting a diverse, representative educator workforce that meets the needs of all students

If multiple goals are created, copy and paste the template for each goal.

Recruitment Goal	Since Hispanics make up our largest minority student population, the Mountain View School District wants to employ at least the same percentage of Hispanic staff as we have students. At the end of the 2021-22 school year, our Hispanic student population was at 2.36%. The MVSD currently employs only one Hispanic staff member out of 192 faculty members. Over the next three years, the MVSD hopes to hire at least 5 additional Hispanic teachers.

Action Step

Our data states that we have one of 192 teachers that are of Hispanic descent (0.005%). In order to match our student body total of 2.63%, the MVSD will need to hire at least five additional faculty members of Hispanic descent.

Review Progress (After Baseline Year)

Describe progress made toward the recruitment goal and any improvements or adjustments that were made to the action plan to overcome barriers to plan success.
Our percentages remained the same after our baseline year. We are an isolated rural district in Northcentral Arkansas with a very small Hispanic population. Our population locally is 96% White with very little industrial opportunities for the Hispanic population. Even though our recruitment efforts through reaching out to Arkansas colleges and Universities, we have had no minority applicants in the past year.

Focus Area: Retaining a diverse, representative educator workforce that meets the needs of all students

If multiple goals are created, copy, and paste the template for each goal.

Retention Goal	We hope to retain the only Hispanic staff member we have by providing competitive pay and a high-quality standard of living.
