### **ABSENCES**

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance, whether in person or digitally, at school is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement. Absences for students enrolled in synchronous digital courses shall be in the same manner as for District students attending courses in person.

### **Excused Absences**

Excused absences are those where the student was on official school business or when the absence was due to one of the following:

1. The student's illness or when attendance could jeopardize the health of other students. A maximum of six (6) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.
2. Death or serious illness in their immediate family;
3. Observance of recognized holidays observed by the student's faith;
4. Attendance at an appointment with a government agency;
5. Attendance at a medical appointment;
6. Exceptional circumstances with prior approval of the principal; or
7. School sponsored events (FFA, FBLA, FCCLA) or 4-H sanctioned activity;
8. Participation in the election poll workers program for high school students.
9. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).

11. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date.
12. Absences due to conditions related to pregnancy or parenting, including without limitation:
  - \* Labor, delivery, and recovery; Prenatal and postnatal medical appointments and other medically necessary, pregnancy-related absences; The illness or medical appointment of a child belonging to a parent who is enrolled at a District school; A legal appointment related to pregnancy or parenting, including without limitation: Adoption; Custody; and Visitation;
  - A reasonable amount of time to accommodate a lactating student's need to express breast milk or to breastfeed the student's child on the District's campus; and
  - At least ten (10) school days of absences for both a parenting mother and a parenting father after the birth of a child.

Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

Up to one (1) time during each scheduled election, a student shall not be considered absent from school for the time the student accompanies the student's parent when the parent is exercising the parent's right to vote in a scheduled election. It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Excessive absences may, however, be the basis for the denial of course credit, promotion, or graduation.

In order for the absence to be considered excused, the student must:

- a. Bring a written statement to the principal or designee upon the student's return to school from the student's parent, legal guardian or treating physician stating the reason for the student's absence; or
- b. If the student is attending the District's courses digitally, upload a written statement from the student's parent, legal guardian or treating physician stating the reason for the student's absence through the District's digital course management platform for review by the principal or designee.
- c. Provide documentation as proof of a student's participation in an activity or program scheduled and approved by the 4-H program that is provided by a 4-H county extension agent, 4-H educator, or other appropriate entity associated with the 4-H activity or program.

A written statement presented or uploaded for an absence having occurred more than five (5) school days prior to its presentation or upload will not be accepted.

### **Unexcused Absences**

Absences that are not defined above or do not have an accompanying note from the parent, legal guardian, or person standing in loco parentis, the student's treating physician, or a 4-H county extension agent, 4-H educator, or other appropriate entity associated with the 4-H activity or program presented in the timeline required by this policy, shall be considered as unexcused absences. Students with more than six (6) unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

When a student has three (3) unexcused absences, his/her parents, guardians, or persons in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds six (6) unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, guardian, or persons in loco parentis shall be subject to a civil penalty as prescribed by law.

At any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, guardian, or person in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall be signed by the student, the student's parent, guardian, or person in loco

parentis, and the school or district administrator or designee.

Students who attend in-school suspension shall not be counted absent for those days.

Days missed due to out-of-school suspension or expulsion shall be unexcused absences.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student's operator's license unless he/she meets certain requirements specified in the statute.
