

Thumb Arts Guild

Fine Arts Scholarship Application

Each year the Thumb Arts Guild offers a \$500 award to an area High School Senior, intended for use in furthering that student's growth in their chosen fine arts category, which may be visual arts, fine crafts, writing, music or performance art.

Selection is done on the basis of the application, including samples of the students' work. For non-visual artists, this may include written works or lists of performances. You may include electronic files or hard copies. Thumb Arts Guild also asks for endorsement from teachers and/or mentors. The general Thumb Arts Guild membership will decide the award by vote at our June meeting, with the award given at the July meeting. You will be contacted by the Scholarship Committee.
