Thanks - giving

One of the great things about Thanksgiving is the spirit which surrounds it. It is a holiday of gathering, a holiday of thanks --just plain and simple thanks. If this holiday was called "THINGS - giving" it would lose its appeal -- we have plenty of those already. So this thanksgiving let us be thankful for the fact that we still have a reason to gather and share a meal without exchanging anything other than the gift of thanks. And while we are on the topic, thank you for sharing the lives of your children with us -- there are times I feel we learn as much from them than they do us. Pass the gravy!

Short week, very short newsletter. More next week!
