

3rd Grade Recommended Apps

App Name		Cost	Description
Mystery Math Museum	 The icon for Mystery Math Museum features a cartoon character with a mustache and a blue shirt, standing next to a large blue jar. The jar has the number '8' on its side, and the number '2' is written vertically next to it. Below the jar, the equation '=4' is displayed.	\$2.99	Entertaining and challenging educational app that will have kids begging to practice their math skills using this app.
Stack the States	 The icon for Stack the States shows a smiling, cartoonish map of the United States with large eyes and a wide smile, set against a background of a landscape with mountains and a blue sky.	\$.99	Voted best kids app for iPad. Great way for students to put their knowledge of the states to the test!
Pearl Diver HD	 The icon for Pearl Diver HD features a stylized, colorful compass rose with a blue and yellow design, set against a black background.	\$.99	Exciting way to practice 3 rd grade math skills.

Motion Math Hungry Fish	 The icon for Motion Math Hungry Fish shows a bright orange fish swimming in blue water. A green circle with the number '4' is next to the fish's head.	\$1.99	Practice addition and subtraction.
Splash Math Grade 3	 The icon for Splash Math features a smiling orange crab character. The text 'Splash Math' is written below the crab, and a red 'HD' badge is in the top right corner.	\$9.99	A fun and innovative way to practice math. With 16 chapters covering over 200 math skills and an endless supply of problems, it is by far the most comprehensive math workbook in the app store.
Slice it!	 The icon for Slice it! shows a hand using a red pizza cutter to slice a yellow star-shaped pizza on a white notepad with a blue border.	\$.99	Fraction practice
