Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. **The right to inspect and copy the student's education records within a reasonable time of the day the Charter School receives a request for access.**

Students less than 18 years of age have the right to inspect and copy their permanent record. Parents/guardians or students should submit to the School principal (or

appropriate School official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent(s)/guardian(s) or eligible student of the time and place where the records may be inspected.

2. The right to request an amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.

Parents/guardians or eligible students may ask the Charter School to amend a record that they believe is inaccurate, misleading, irrelevant, or improper. They should write the School principal or records custodian, clearly identifying the part of the record they want changed, and specify the reason.

If the Charter School decides not to amend the record as requested by the parent(s)/guardian(s) or eligible student, the Charter School will notify the parent(s)/guardian(s) or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Such notice shall be in writing and provided within a reasonable period of time after the hearing. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA or State law authorizes disclosure without consent.

Disclosure is permitted without consent to School officials with legitimate educational or administrative interests. A School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board; a person or company with whom the Charter School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent(s)/guardian(s) or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another School official in performing his or her tasks.

A School official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another charter school or district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to individuals described in this paragraph, the parent(s)/guardian(s) will receive written notice of the nature and substance of the information and an opportunity to inspect, copy, and challenge such records. The right to challenge School student records does not apply to:

- A. Academic grades of their child; or
- B. references to expulsions or out-of-School suspensions,

if the challenge is made at the time the student's School student records are forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to: any person for research, statistical reporting, or planning, provided that no student or parent(s)/guardian(s) can be identified; any person named in a court order; and appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons.

4. The right to prohibit the release of directory information concerning the parent's/guardian's child.

Throughout the school year, the School may release directory information regarding students, limited to:

- A. Name;
- B. Address;
- C. Gender;
- D. Grade level;
- E. Birth date and place;
- F. Parents'/guardians' names and addresses;
- G. Academic awards, degrees, and honors;
- H. Information in relation to School-sponsored activities, organizations, and athletics;
- I. Major field of study; and
- J. Period of attendance in School.

Any parent(s)/guardian(s) or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parent(s)/guardian(s) or eligible student is specifically informed otherwise.
