

## **Local Farmer provides a \$2500.00 Donation to Shepherd Public Schools**

Tina Schafer, the director of our food service program's husband, Blaine Schafer, graciously made a \$2500.00 donation to the school district's food service program through the America's Farmer Grow Communities Program, sponsored by the Bayer Fund.

Farmers enroll in the program for a chance to direct a \$2500.00 donation to a local eligible nonprofit organization of their choice.

The America's Farmer's Program has given more than fifty-nine million dollars out to rural America since 2010.

The Board of Education will accept this very generous donation at their May 18<sup>th</sup> Regular Board Meeting.
