What Is Title I?

Woodland Middle School has been identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging State academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must work with parents to develop a parental involvement plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Woodland Middle School (WMS) will provide opportunities to improve parent engagement to support student learning. WMS values the contributions and involvement of our families in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the many ways that WMS will support parent engagement and how parents/guardians can help plan and participate in activities and events to promote student learning at school and home.

How is it developed?

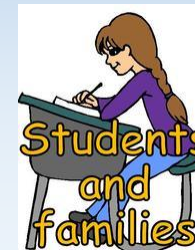

Woodland Middle School welcomes parent input and comments at any time regarding this plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey by sending it home with students and posting it online to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our Annual Title I meeting and the Spring/Summer Parent Input Meeting with school leaders to revise the plan for the upcoming school year.

Who is it for?

All students of WMS participating in the Title I Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. Woodland Middle School will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?

The Parent Involvement Plan is available in the Parent Resource Room, in Schoology and on the school website at woodlandms.bartow.k12.ga.us

Woodland Middle School is Reaching Out

Woodland Middle will take the following actions to promote and support parents/guardians as an important foundation of the school in order to strengthen the school and reach our school goals.

We will:

- Assist parents in monitoring their child's progress and help them work with educators to improve their child's academic achievement.
- Provide resources and support to help parents work with their children to support learning.
- Ensure that all information related to school and parent programs, meetings, and other activities is sent to parents, published in both English and Spanish, and posted on the school website.
- Communicate with families and the community regularly about schoolwide programs and events, meetings, and other activities (social media, Remind text messaging, School Messenger, monthly newsletter, school website, etc.).
- Collect feedback from parents.
- Provide other reasonable support for parental involvement.

Parental Involvement

Woodland Middle School believes that parental involvement means the participation of parents/guardians in regular two-way and meaningful communication involving academic learning and other school activities, ensuring the following:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education.
- That parents are partners in their child's education and are included, as appropriate, in decision-making to assist in the education of their child.
- The carrying out of other activities as described in this plan.

School-Parent Compact

As part of this plan, Woodland Middle School and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together that explains how parents, teachers, and students will work together to make sure our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, teachers, and students during Open House and annual Title I meetings. Parents will keep a copy and return the Agreement Acceptance Form to the homeroom teacher.
