THE MARSHALL MUSTANG

May 2021

Principal's Message

Hello Marshall Families!

We are continually impressed with our students' perseverance and grit. The Marshall Mustangs continue to work hard and impress their teachers with all their learnings. In spite of the recent, beautiful weather, the students are still able to focus on their work and get it done.

As we head into the last seven weeks of school, please encourage your child to continue this great work. We must all work to support each other, as well as our children. Please help your child to establish a healthy balance between school and home.

As you may have heard, the Smarter Balanced Assessment will not be given this year. The Superintendent of Public Instruction shared that educators can focus on engaging students and families in the last two months of school, supporting their needs and preparing for next school year.

We thank you for all you are doing to support your students to ensure they are ready to learn each day.

Joan Robertson- Landi
Marshall Principal

The **Spring Buy-One-Get-One-Free Book Fair** is coming to Marshall on Friday, May 14, 2021. The dates available for shopping are Friday, May 14, 2021 through Sunday, May 16, 2021 and Friday, May 21, 2021 through Sunday, May 23, 2021. Watch for flyers!

Help Support Our PTSA's Spring Fundraiser

The PTSA fundraiser ends on Monday, May 3, 2021. All orders are placed online this year. If you would like to make a purchase or support our PTSA, please visit shopfund.com. Thank you for your support.

Warm Weather Clothing Reminder

Believe it or not, the weather will change! As it warms up, summer clothing emerges from our closets. Please ensure that your child wears sensible clothes to school. Below are some simple reminders that may help:

A sweater, sweatshirt or lightweight coat may still be needed as the weather can change quickly from warm to chilly. Remind your student to check the playground for discarded sweaters, etc., since they are usually taken off during play at recess time.

- * The length of skirts and shorts should be lower than the child's fingertips when extended downward.
- * **Flip-flops, sandals and shoes with heels are not appropriate** for play, recess or PE. We have had students sustain injuries due to these types of footwear.
- * Halter tops and skinny straps on shirts are not permitted.
- * Shirts should be long enough to cover student's midriff at all times.

Encouraging comfortable, appropriate clothing makes play and PE more fun for everyone.

Please do not allow your student to wear flip-flops to school! They are not designed for safe play.

NOT RETURNING NEXT YEAR?

If you find that you are not returning to our school next year, please let the office know as soon as possible.

We are busy planning for next year at this time. It is helpful to be aware of our enrollment and know the class in which to place all students. This is the same for all schools.

Once you know which school your student will attend, please register as soon as possible at the new school. The new school will then request your student's records from us.

If you do not return, we will miss you and wish you the best at your new school.

Sunscreen at School

During the warmer weather, you may wish to send sunscreen with your student to protect their skin from the sun/ultraviolet rays. If you send sunscreen, please label the container with your student's name. They must be able to apply it themselves and keep it in their backpack.

Under no circumstance should sunscreen be shared with other students.

Weekly Health Screener

All students who attend in-person instruction need to complete a health screener each week. It is strongly suggested that this be completed each **Sunday**. For your convenience, each Sunday you will receive an email with a link to the Weekly Health Screener. The sender's email address will be Marshall_Office@msd25.org.

Below is the QR code you may use as well as the link directly to the form.

Stay Hydrated!

It is an important health reminder to keep your student hydrated at all times. Feel free to send a water bottle/container with your student. The container must have a lid to prevent spillage in the classroom or other areas of the school. Please note that we do not have drinking fountains available this year.
