Next Generation Science Standards Assessment

Our fifth graders took the NGSS assessment this past week. They did such a great job! The planning for Remote Learners will be communicated to Remote Learning families. Thank you to the teachers for administering these assessments with such ease and finesse. Thank you to the cafeteria staff for putting together a wonderful breakfast for each student!

Smarter Balanced Assessment Consortium

SBAC testing will begin on Monday, May 10th for grades 3-5. Information will be sent to parents in the coming weeks. Remote learners will also be taking this assessment (remotely). An SBAC Motivation Committee, along with our Student Council, is planning some wonderful activities to create excitement for the testing!

Earth Day Clean Up

Judson's Student Council celebrated Earth Day by beautifying our school grounds. They weeded, edged and mulched, and planted flowers! Thank you to our Student Council members and advisors Mrs. O'Toole and Mrs. Washburn!
