

JOURDANTON MIGHTY INDIAN BAND

ORLANDO 2022

May 29th, 2022 through June 4th, 2022

This coming year we are excited to announce that the Jourdanton band will get the incredible opportunity to participate in Universal Studios Sound Design: Music and the Art of Foley workshop! This is a magnificent workshop where our students will experience life as working movie musicians performing original underscores, creating Foley effects, and selecting digital sound effects for animated movie scenes. Additionally, the students will spend 3 days at Disney World (access to all of the parks) and 2 days at Universal Studios (access to both parks).

The directors have spent many weeks working with travel companies to find us the best 'band for our buck' and are excited to announce that we have picked a travel company and itinerary that will provide our students with a magical, once-in-a-lifetime experience!

OTHER TRIP DETAILS

While we do not have all of the detailed specifics, we wanted to make sure that we can give you the best image of what this trip will look like. Students will be rooming 4 to a room and they will be allowed to pick their roommates. Throughout the trip they will be split up into groups where they will be constantly with a chaperone. We will have hotel security all night every night to ensure that the kids are safely remaining in their rooms. The only meals that are not provided to the students are the two meals that we will be having during our traveling, every other meal will be provided for the entire trip. We are also currently working with the school nurse on how we will go about medication throughout the trip, but more details about that will come as we get closer to the trip date.

We will be having several fundraising opportunities throughout this school year to help students offset these prices. Any adult with possible fundraising ideas that could potentially help the band should reach out to the band boosters. Any money that the band boosters raise can go to help offset everyone's cost; any profit raised during a fundraiser can go directly to an individual student's funds.

Fundraising is fundamental to what we do. The community wants to see these students to have these opportunities!
