Subject: MCHS SIC APRIL 2021 Meeting via Email
Attachments: SIC minutes March 2021 - Website.pdf; Summary Report 2020-2021.pdf

We would like to thank all of our MCHS SIC members for serving on our council this school year. Due to the council already covering everything that needed to be covered for this school year and after much discussion we have decided to let this email serve as our final meeting for the 2020-2021 year. We will not meet on Monday, April 26, 2021 via Google Meet. Under normal circumstances we would have included an appreciation meal for our year end meeting but unfortunately we are unable to do so this year. Please, do know that you all are appreciated more than the price of a meal. The sacrifice of your time each month as well as your input is very valuable to us at MCHS.

Our March 2021 meeting minutes are attached, if you all would please look over them and let me know as soon as possible if they are approved or if we need to correct anything we would truly appreciate it. Our finalized Summary Report 2020-2021 (SIC Report to the Parents 2020-2021) is also attached and will be sent out next week to parents and students via email addresses we have on file. We will also post the link to this document on our website and Facebook pages for the community to have access to.

If the MCHS Athletic Booster Club, MCHS Band Booster Club, or any council member has any good news that they would like to share with the council please feel free to do so.

We do have one new item of business that we would like to share with you all. *With Governor McMaster's signing into law S.704, all schools will return to 5 days of instruction beginning April 26. For students who are currently face-to-face, Wednesdays will now be an in-person learning day. For students who are currently enrolled in Newberry ONE, Wednesdays will now be synchronous (live) instruction days. This resolution is in place for the remainder of the 2020-2021 school year and for the upcoming 2021-2022 school year. We will continue to keep our current safety measures in place with masks, plexiglass, and social distancing until such a time it is deemed safe to discontinue these practices.*
