

VACCINE APPOINTMENTS AVAILABLE 16 AND OLDER

Attention Parents:

Anyone 16 and older can register through our online form
whs.org/covid

Washington Health System is utilizing the Pfizer vaccine, which is currently the only vaccine approved for anyone 16 and older. This vaccine is safe and highly effective at preventing infection and/or hospitalizations due to the COVID-19 virus. Many local colleges have actually begun to require proof of vaccination in the fall.

I got the
vaccine.
Will you?

Three vaccine clinic locations:

Washington Crown Center Mall
Peters Township Recreation Center
WHS Greene

Note: Children ages 16 and 17 must be accompanied by a parent or guardian when attending their scheduled vaccine appointment. If the teen has a driver's license or identification they can bring it with them but it is not required for anyone under 18. Parents can confirm address and demographics.

WHS is proud to be a local leader in the fight against COVID-19.
