

5TH Grade News

April 23, 2021

Great effort on the ELA state tests!

The next set of tests will be Math on May 4 and Science on May 6.

The end of the year is approaching quickly! There are many projects and activities planned for the remaining days.

Much of the work can be completed at school if students use their time wisely.

These projects will incorporate what students have learned this year, and in addition will push them to challenge themselves with new information and skills.
