Deer Park currently offers a lunch program. Due to Covid 19 it will look a bit different than it has in the past. We are committed to providing a variety of food choices and will work diligently to make sure we are able to continue to do so. We work with CFHS to provide the students with a healthy nutritious lunch. All lunches include a protein, vegetable, fruit, dessert, and milk. There is always a salad option available, you may choose from a Chef Salad, Caesar Salad, or Cottage Salad. The Caesar Salad comes with Caesar dressing and the only other dressing option is ranch. If you order a lunch and end up being absent that lunch will be credited back to your account. Lunches are free this year per USDA due to Covid 19. Included you will find a lunch order form, income eligibility paperwork, and a copy of the 2-week rotation. (The income eligibility will also affect our Crash Zone, if you qualify for free or reduced there will be no charge for Crash Zone. Crash Zone is offered if parents have to work or are unable to pick up your children after school.) For the school lunch program to work we are required to order 2 weeks in advance. Lunch order forms will be handed out every other week, they will need to be filled out with lunches **CIRCLED** and returned by the **return date posted** on the order form. If you would like to order a salad cross off the lunch for that day and write what salad you would like. On hot lunch days sometimes there is no second option, please be sure to **CIRCLE** the hot lunch so that I know you would like it, if a lunch is **NOT** circled I will not order it. **PAYMENT** is due at the time of ordering unless other arrangements have been made.

MILK: Milk is included with lunch, however if your student would like milk, and didn't order a lunch, it is also free. I look forward to serving your student. If you have any questions, please feel free to stop in the office or call me at 892-5388 ext. 223. I can also be reached through E-Mail if that is easier, anderson@deerparkedu.org

Thanks and Healthy Eating.................Tana
