

It is still important for everyone to fill out the free and reduced lunch application. This will affect your eligibility for school lunches when lunch prices return to normal at the beginning of 2021. This will also affect crash zone and funding for our title programs. Applications were handed out at the beginning of the year, although if you need a new one, let me know. It would be great if I could have these in by the end of September.

Thanks so much, and as always if you have any questions, please call.
