All,

I hope this email finds everyone well. As we head into the stretch run of the school year, I would like to update you on the status of the middle school with regard to processing requests for students returning full-time. Unfortunately, due to spacing restrictions and social distancing guidelines we are unable to honor full-time in-person requests at this time. Please know that we will continue to reevaluate our plan as more information becomes available.

Attached you will find [a calendar](#) for the final round of Common Assessments. They will begin during the first week of May. The assessments are skills based and evaluate student mastery of grade level standards. They are uniformed across grade levels and content area. Common Assessments provide valuable data that will help inform curriculum and future instruction. If you have any questions or concerns, regarding the assessments please reach out to your child's teacher directly.

Reminders:

- **April 26th will be a Green half day**
 - Please see the [1/2 day Monday Schedule](#) for the remainder of the year
- In order to streamline communication, please utilize the [CMS Communication Framework](#).
- Social Emotional Learning platform [resources](#).
