- For printouts of computerized data on paper, actual added cost may include computer run time and the cost of materials for making the copy.
- For electronic data, the actual added cost may include the reasonably calculated actual added cost of the computer run time, any necessary analysis and programming, and production of a report in the form furnished to the requester.
- The actual added cost shall not include any charge for the existing salary or pay obligation to public officer or employees for the first four hours of searching, identifying, physically redacting, or copying records, but fees may be charged after the first four hours.
