Important COVID 19 Update #4

March 16, 2020

RE COVID 19 Update # 4

Dear Parents Guardians and Students;

I am writing to inform you that the Hampton Schools SAU 90 will be closed from March 16 through March 27. I have collaborated with SAU 21 Winnacunnet Cooperative School District to make a timely and unified decision that is in the best interests of the students, faculty and staff. This decision was made after significant conversations among school leaders, state officials and public health.

The decision was made in an effort to proactively address the evolving novel coronavirus (COVID-19) situation.

The leadership team is now putting in place a framework to address the learning needs of our students during the school closure. The faculty and staff will use next Monday (3/16) and Tuesday (3/17) to prepare instructional materials for the students, using take home bags and remote learning.

I will be sending out via school messenger and social media sites additional information regarding the expectations for teaching and learning during this time. Please look for this information on Sunday.

This decision did not come lightly and certainly acknowledges the impact this has on families and the students we serve.

I am confident that if we work together we will all get through this unprecedented and very difficult situation.

Sincerely,

Kathleen A. Murphy

Superintendent
