### Message from Superintendent Murphy 3/19/20

March 20, 2020

Dear Hampton Families:

This has certainly been an incredible week for our students and staff. As I reflect on the week and all of the components that were needed to support our students and families, I can say with confidence that we met our goal. Our students have academic work for the next 10-15 days, our teachers are supporting students each day via multiple systems such as google classroom, google meet, facetime and telephone conferences. The food service department is providing breakfast and lunch for those families requesting the meals. First Student transportation is delivering school work or meals to the families in town if parents are unable to pick up. Over the next several weeks you may have concerns. The following is a list of administrators with contact information;

- Ms. Kathleen A. Murphy, SAU 90 Superintendent 926-4560 Ext. 304
- Mr. Timothy Lannan, Centre School Principal 926-8706 Ext.703
- Dr. Lois Costa, Marston School Principal 926-8708 Ext.703
- Mr. David O'Connor, Hampton Academy School Principal 926-2000 ext 703
- Ms Jessica Parsons, SAU 90 Director of Student Services 926-4560 Ext. 309
- Mr. Gregory Limperis, SAU 90 Director of Technology 926-2000 Ext. 710
- Ms Janine Richards, SAU 90 Director of Student Wellness 926-4560 Ext 312
- Mrs. Mary Borg, SAU 90 Director of Food Services 926-8708 Ext. 712
- Mr. Keith Lessard, SAU 90 Director of Facilities 926-8708 Ext. 715

Our team is working with partners across the community and state to ensure we have the resources to support our families.

I have ordered that all buildings be locked down except for the custodians, who are undertaking a thorough cleaning throughout the buildings and food service at Marston working to prepare meals for the students.

Thank you for your support and cooperation during this health crisis. These are truly difficult times and frankly what we are doing is new to all of us. Our teachers and staff have been incredible and they continue to reach out to me seeking additional ways they can help. They have adapted to a remote learning environment and continue to provide lessons for the students.

Please take care and be well.

Sincerely,

Kathleen Murphy  
Superintendent
