Dear SAU 90 Families:

The school district has been working with a broad representation of stakeholders since mid-May to consider all of the options in order to return to school in September 2020. The focus of the work has been undertaken by five working groups; Wellness, Instruction, Operations, Facility and Technology.

As we move forward to have a plan in place we wanted to talk with you, listen and take your input to insure the planning represents your thoughts and ideas. While we will share our work to date, it is by no means the answer to the myriad of issues that confront the district as we return to teaching and learning.

The district has scheduled a combined SAU 90 and 21 Community Forum for Tuesday, June 16, 2020 from 6:00 pm to 8:00 pm with the five Working Group Chairs; Jessica Parsons, Timothy Lannan, Michelle Witt, Lois Costa, Keith Lessard, Gregory Limperis and me. We are pleased to join our colleagues from SAU 21 and appreciate the collaboration with Superintendent Lupini and the staff.

The access information for this online meeting can be found on our website at <https://www.sau90.org>.

We acknowledge that you are looking for specific answers regarding the fall and while we don't yet have the specifics we are looking forward to hearing from you. Please join us on June 16 at 6:00pm as we work in partnership to prepare for the return of students in the fall.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Kathleen Murphy
Superintendent
