

Sunray ISD is seeking a Middle School Science Teacher for the 2021- 2022 school year. Those with a strong background in science are encouraged to submit a resume to Jance Morris at jance.morris@region16.net. With class sizes averaging 15, the district has great students and families who support our school. Applicants should be self-motivated, team players who want to learn and grow alongside their students. For more information, please call Sunray Middle School at 806.948.2054.
