- This program is subject to change. Changes will be communicated.
- Although these meals are available regardless of income, the district asks families to also complete the online Free/Reduced Meal Application found <http://brunswick.schoollunchapp.com> (a paper version will also be distributed in "Back-to-School" packets from your child's school) This is not required to access these meals, but completing the form will ensure continued access to meals if this program ends. In addition, qualifying for this benefit often generates other benefits to both applicants and the school district.
- Please call Melissa in the district's school nutrition office at 207-319-1982 with any questions.
