

AHS NewTech Schoolwide Learning Outcomes (SWLOs)

Written and Oral Communication

AHS New Tech Students will demonstrate effective written and oral communication skills in every course they take.

Collaboration

AHS New Tech Students will work together in teams to solve problems and present their solutions.

Agency

AHS New Tech Students will develop a growth mindset that emphasizes taking responsibility for one's own learning.

Content and Critical Thinking

AHS New Tech Students will master the curriculum material and demonstrate an ability to think critically about problems encountered within the course.
