## **SECTION III - CHANGE IN EMPLOYMENT STATUS**

### **A. VOLUNTARY TRANSFER AND ASSIGNMENT**

In considering requests for transfer or reassignment, the convenience and wishes of the employee will be honored to the extent that they are consistent with the best interest of the District as determined by the Superintendent. This will also be the case when fewer work hours are requested. If the new position is at a lower paying scale than the one currently held, the lower paying scale will prevail. The employee's length of service and leave credits will not be affected. Requests for transfer are to be submitted in writing to the supervisor with a copy to the Superintendent.

### **B. INVOLUNTARY TRANSFER AND ASSIGNMENT**

Each employee shall be assigned to a specific position. The employee's job description shall be subject to the direction and discretion of the Superintendent. The employee may be transferred to any other position as the Superintendent may direct. Transfers may be initiated by the Superintendent or by other administrative officers for any purpose which, in the judgment of the Superintendent, is for the

welfare of the employee or the District. An administrative transfer or reassignment shall be made only after a conference between the employee and the Superintendent or administrator. At that time, the employee will be notified of the reason(s) for the transfer. A written record of this meeting will be placed in the employee's personnel file. A transferred employee will retain experience credit and be placed on the step and wage scale of the new assignment.

### **C. REDUCTION IN FORCE POLICY**

In the event the District determines that a reduction in force is necessary, it shall retain the most qualified employees to perform the duties required regardless of seniority. The District shall be the final judge of the relative competence, experience, and ability, regardless of seniority.

In the event of lay off due to a reduction in force, the employee shall receive two (2) weeks' notice thereof. In the event the employee is not given such two (2) weeks' notice, the employee shall be entitled to two (2) weeks' pay, but shall not be required to attend work.

Employees who are laid off due to a reduction in force shall be entitled to recall for a period of one (1) year based upon the operational needs of the District.

### **D. DISCHARGE AND DISCIPLINE**

Any non-probationary employee covered by the terms of this agreement may be suspended (with or without pay) or discharged at any time upon notice for just cause including, but not limited to, unsatisfactory or poor performance, dishonesty, theft, drunkenness, illegal use or possession of drugs, neglect of duty, immoral conduct, insubordination, unprofessional conduct, and violation of District policies or procedures.

If the District contemplates disciplinary action including, but not limited to, termination of an employee, it may immediately place the employee on suspension pending the completion of an investigation. The suspension may be with or without pay as determined in the sole discretion of the Superintendent. Upon completion of the investigation, the District shall notify the employee in writing as to nature of the disciplinary action contemplated and provide the employee with an informal opportunity to present the employee's reasons as to why the recommended disciplinary action should not be taken. The employee has a right to representation at this meeting.

Any employee notified of termination may request a hearing before the Board by delivering to the Superintendent within five (5) working days a written request for hearing. Failure to request a hearing results in termination of the employment

relationship on the sixth (6<sup>th</sup>) day following the notice of termination. If a hearing is requested, the Board shall conduct the same at its next regular meeting or within twenty-five (25) days, whichever is longer. The employee has the right to be represented by counsel at the Board hearing at the employee's expense.

If terminated, the employee's final check will be calculated based upon the last day worked.

#### **SECTION IV - PAYMENT OF SALARY**

##### **A. SALARIES**

All returning employees shall be paid in accordance with their corresponding placement on the applicable Salary Schedule (i.e. Classified Staff Schedule, Salary Schedule (Exhibit A), Transportation Salary, District Office/Secretarial/Administrative Assistant Schedule (Exhibit B)). New employees shall be paid in accordance with the Salary Schedule set forth in the Salary Schedule attached hereto.

##### **B. RETENTION INCENTIVE**

Effective July 1, 2023, all returning employees who have signed their contract for the 2023-2024 school year with the District shall be granted a Two Thousand Dollar (\$2,000.00) retention incentive, less applicable deductions required by law. This retention incentive shall be paid on or before August 18, 2023. If the employee resigns during the year, the retention incentive shall be deducted from the employee's salary. The Board in its sole discretion may waive the requirement to refund the retention incentive through salary deduction or otherwise in the case of undue hardship on the employee.

##### **C. PAYDAYS**

Paydays are on every other Friday. If a Friday scheduled payday is a holiday, employees will be paid on the day before. No paychecks will be released prior to the District's regular payday schedule. There could be some delay in pay for employees, depending upon the start date, as determined by the Human Resources Office.

##### **D. WORK HOURS**

As required by federal law (Fair Labor Standards Act), all employees covered by the terms of this Agreement shall be paid only on the basis of hours worked. Overtime shall be paid to all non-exempt employees who work in excess of forty (40) hours in a workweek. No overtime shall be worked unless approved in advance by the Superintendent or designee.

Normal hours of work shall not be construed as a guarantee of the number of hours worked per day or per week. The payroll office calculates time in 15-minute increments, as reflected on the table below. Staff payment of extra hours or calculations for leave will be determined on the clocked in time increment. Failure to notify a supervisor or to turn in a leave slip will result in leave without pay. Staff shall routinely check the Timeclock Plus system to verify their time.

#### **SECTION V - OVERTIME COMPENSATION**

The School Board has authorized pay for employees for work performed in excess of forty (40) hours in a week, subject to the following regulations:

1. Overtime pay is to be authorized only by the Superintendent or designee and cleared through the business office. Authorization of overtime must be approved prior to working and submitted a week in advance for approval except in the case of emergencies.

2. Overtime pay at time and one half will be paid for all hours worked on Sunday and double time for all hours worked on holidays.
3. Payroll calculations with regard to overtime will not include holidays and leave hours and late start hours as hours worked, but only as hours paid.  
EXAMPLE: Any given week with one holiday, normal work hours are thirty-two (32) hours, but total paid hours are forty (40) hours. If an employee works additional hours, he/she must actually work in excess of forty (40) hours in order to receive overtime pay.
4. Activity runs include field trips, ball games, pow-wows, etc. that involve taking the students from their regular school setting to another location.
5. After school activity runs are runs made after the regular school hours to **student homes** that did not include the student leaving their regular school setting (i.e., basketball practice, after school tutoring).

## **SECTION VI - LUNCH AND BREAK SCHEDULES**

Breaks are available for employees based on the number of hours worked per day. Employees who work four (4) hours are allowed one 15-minute break with pay; Employees who work six (6) hours are allowed one 15-minute break with pay and one 30-minute uninterrupted lunch break without pay; Employees who work more than six (6) hours per day are provided with two 15-minute breaks with pay and one 30-minute uninterrupted lunch break without pay. The 30-minute lunch break will automatically be scheduled in the Timeclock Plus System. If an employee does not take a 30-minute lunch break throughout the day, or takes their lunch break one half hour before the end of their work day, the employee shall be responsible to notify their supervisor, and their timecard will be adjusted appropriately. Any adjustments must be reported within the same pay period in which the adjustment occurred. Employees who abuse the length or number of breaks may be subject to disciplinary action, up to and including termination.

## **SECTION VII - LEAVE POLICIES**

All requests for leave other than those due to an emergency or illness are subject to the operational needs and requirements of the District and may be denied by the supervisor.

All requests for leave (other than those due to an unexpected emergency or illness) must be submitted in writing and made to the employee's supervisor at least five (5) days in advance. Failure to submit the request for approval of leave or obtain

approval prior to the taking of leave constitutes grounds for disciplinary action. The supervisor may waive the five (5) day notice required in cases of emergency. All requests for leave must be submitted to the supervisor for approval and forwarded to the business office.

#### **A. LEAVE**

On the first employment day of each year, all employees will receive fourteen (14) days of leave. No reason will need to be given when applying for leave. Year-round employees (205 employment days or more) shall receive fifteen (15) days of leave each year.

Upon receiving their appropriate number of days of leave, an employee may contribute one of those days to the sick leave bank, if they so choose. A “day” is determined by the number of hours the employee regularly works per day. Leave will be prorated if employment starts late or employee leaves before the end of the regular school/employment year. Probationary employees are not eligible for leave benefits until after they complete sixty (60) calendar days of their probationary period.

Leave will not be granted for days determined as Inservice, the three Parent-Teacher Conferences scheduled on the calendar, or the three designated School Parent Nights, unless approved by the School principal and Superintendent. The school will post the months for the proposed parent nights in advance for planning purposes.

Leave can accumulate to 100 days. Upon resignation, or retirement, employees will be paid one-half (1/2) of his/her daily wage for unused leave. Upon request, the School Board may, in its sole discretion, approve the payment of one half (1/2) of the accumulated leave to an employee whose employment has been involuntary terminated.

Probationary employees are not provided leave until the official employment agreement has been approved and the employee has successfully completed sixty (60) calendar days of employment.

Persons having more than 100 days of leave prior to the initial adoption of this 100 day leave limit can choose to be reimbursed at one-half (1/2) of his/her current daily wage for days over 100 or these days can be grandfathered in and held over. All other personnel will be held to the 100-day limit and automatically paid at the above rate for days accumulated over 100 each year.

Any employee who willfully violates or misuses the leave provisions or misrepresents any statement or condition under the policy shall forfeit all

accumulated leave and disciplinary action including but not limited to forfeiture of any further right to earn leave under the policy until reinstated in good standing by the Board. Unless previously authorized by the employee's supervisor, any employee who is absent on leave without pay for a period of five (5) days or more shall result in the automatic termination of employment, unless the employee submits a medical statement from the employee's physician establishing the medical reason for the absence.

The District may require employees to submit a medical certification from their doctor for any health condition exceeding five (5) days, for which payment under the leave policy is claimed. In the case of childbirth, certification of physical inability to perform an essential job function should in no way relate to the care of a well child, but only to the period during which the employee is physically unable to perform her employment duties.

Non-probationary employees who are absent from work three (3) days or less for any reason, per year, shall receive an incentive of \$1000. This amount will be paid in the final paycheck at the end of the fiscal year (June 30). A "day" is defined per the employee's individual work agreement length of day. Use of non-duty days are not counted towards absence. A dual employed employee may only earn one incentive bonus in a year. Either employment with an absence of three (3) days or less would qualify. An employee who requests leave without pay in lieu of using leave would not be entitled to the end of the year incentive bonus.

**FAMILY MEDICAL LEAVE ACT.** The District follows the requirement of the federal Family Medical Leave Act (FMLA). The FMLA allows employees to take up to twelve (12) weeks of unpaid leave each year for certain family medical purposes. Specifically, employees may use FMLA leave when they are seriously ill or when they must care for a newborn or adopted child or a seriously ill member of their immediate family. Employees receive continued health benefits while on leave and are guaranteed the same or an equal position to the one they held prior to their leave. Employees are eligible for the FMLA leave only if the employee has worked for the District at least twelve (12) months and worked at least 1250 hours over the twelve (12) months before the leave is needed. Employees must use all accumulated leave of any type, which shall be counted as part of the twelve (12) weeks of FMLA leave, prior to using FMLA leave.

## **B. INCLEMENT WEATHER OR NON-SCHEDULED WORK DAYS**

In the event school is cancelled due to inclement weather, the employees covered by this Agreement will be paid as Administrative Leave their regular rate of pay for the hours lost. In addition, if the School Board, upon the recommendation of the Superintendent, determines that the days lost to inclement weather are to be made up, employees will be paid for the hours worked on those days.

Employees who are called in to work on an inclement weather or non-scheduled workday will receive the granted administrative leave and will receive an additional hourly stipend for the hours they are clocked in for work. Some examples include, but are not limited to, groundskeepers, maintenance, and custodians who are removing snow or providing support for other weather hazards; payroll employees during a payroll week; or cooks in the event a truck is delivering food on an inclement weather or non-scheduled workday. Any other employees would only be compensated if approved by their supervisor and the Superintendent and deemed essential to work for the school or District functions to proceed. The hourly stipend will be a flat rate of \$18.00 and will not count towards overtime. If an employee not specifically named chooses to work during an inclement weather or non-scheduled workday, that employee will not be compensated.

In the event an employee is already at work when an inclement weather or non-scheduled workday is called, they will be paid the \$18.00 hourly stipend only as long as it takes them to come to a responsible stopping point in the work they are currently performing.

In the event an employee had approved leave for a day when a late start or early dismissal occurred, the employee will only be charged for the adjusted workday. If the employee had approved leave for a day that was called for inclement weather or other closing, the employee would receive administrative leave and the leave slip would be returned.

### **C. REMOTE LEARNING DAY**

When the District calls a remote learning day, all instructional staff covered by this agreement will be required to report to work online or in person, if required. If staff are required to work onsite, it will include all positions.

Instructional staff for the purposes of a remote learning day where staff stay home will include: paraprofessionals, trainees, techs, VHS Coordinators, School Secretaries, Attendance Clerks, Receptionists, VHS Registrar, LTHS Registrar, Transportation Coordinator, Housing Coordinator, Daycare Assistant, Daycare Monitors and District Office secretaries and assistants. Instructional staff will report in attendance with their supervisor.

Non-Instructional staff for the purposes of a remote learning day where staff stay home will include: bus drivers, health paras, student advocates, cooks, maintenance staff, security, mechanics, custodians, and groundskeepers. Non-instructional staff will be granted administrative leave.

## **D. LEGAL HOLIDAYS**

Employees will not report for work, but will be compensated, for holidays as set forth below:

Independence Day	New Years Day
Labor Day	Martin Luther King Day
Native American Day	President's Day
Veterans Day	Good Friday
Thanksgiving Day	Easter Monday
Day after Thanksgiving	Memorial Day
Christmas Day	Juneteenth

If a holiday falls on a Saturday, the previous Friday will be considered a holiday. If a holiday falls on a Sunday, the following Monday will be considered a holiday. The holiday schedule may change as determined by the school calendar adopted each year by the school board. If so, classified employees will be scheduled to work on these days accordingly but will be paid time and a half for hours worked and double time for holidays.

## **E. PROFESSIONAL LEAVE**

The Superintendent may approve a limited amount of professional leave with or without pay, and with or without expenses for attendance at meetings of local, state, or national educational organizations, workshops, conferences, and school visitations, subject to the following considerations:

1. The leave is in the best interest of the District and related to the employee's area of instruction or expertise or leadership positions in local or state educational organizations.
2. The request for leave must be directly associated with educational or professional activities.
3. Professional leave of up to twenty (20) hours with pay will be granted for employees to attend collective bargaining negotiations.
4. Priority will be given to professional leave applications of employees who:
  - a) Submit them first;
  - b) Hold local or state offices in educational organizations.
5. Employees who leave the school as a bus driver, coach or sponsor for a school-sponsored event will be able to utilize professional leave for the hours related to their employment. This would also include a bus driver who is absent from a main bus run while driving for an activity. The driver will be

responsible for submitting payroll documents and leave requests for the activity, and will be paid according to the activity run schedule in Exhibit A.

When a School District employee is subpoenaed to testify in Court or give an oral deposition (in a case in which he or she is not a party), or is summoned to serve on a jury, he or she will be granted professional leave for the time demanded under the subpoena or summons and submit it to the Superintendent for verification and approval.

1. **STATE OR TRIBAL COURT:** All fees received for State or Tribal Court appearances or services shall be retained by the employee. An employee on "Jury Duty Leave" shall receive the employee's regular salary less any amount received for services, up to but not in excess of the employee's regular daily rate of pay. Within fifteen (15) days of receipt of court fees, the employee is required to present the Court check to the business office for verification of leave time.

2. **FEDERAL COURT:** All fees received for Federal Court appearances or services shall be retained by the employee. An employee on "Jury Duty Leave" shall receive his/her regular salary less any amount received for services, up to but not in excess of his/her regular daily rate of pay. Within fifteen (15) days of receipt, the employee is required to present the Court check to the business office for verification of leave time.

#### **F. LEAVE WITHOUT PAY**

The Superintendent may grant leave without pay (LWOP) to employees for personal reasons. Requests for leave without pay must be approved by the supervisor and must include the reason. More than two (2) days of LWOP, without prior authorization from the employee's supervisor, is considered excessive and will result in disciplinary action which may include termination.

Employees whose LWOP status exceeds 5 days without medical documentation or cause will be released from their employment for failure to perform duties. The employee will return to probationary status for the remainder of the school year. The end of year evaluation will determine if the employee future status for the next year. Benefits will continue while in probationary status if the hours worked can cover any additional costs. If benefit costs exceed employee income, the employee will be released from employment. Once the employee is back in probationary status, no administrative leave will be granted. Employees in probationary status will no longer be covered by this agreement.

## **G. LEAVE OF ABSENCE**

Leave of absence, up to one (1) year in duration, may be granted provided the following terms and conditions are met:

1. All requests for leave must be submitted to the Superintendent in writing, stating the purpose and duration of said leave.
2. Leaves of absence under this article are for purposes for which other leave policies do not apply.
3. The school board is able to find a suitable replacement during the period of the leave.
4. The employee will be assigned to the same position upon return from leave if possible.
5. The employee will neither gain nor lose benefits while on leave, and, upon returning, will be placed on the salary schedule at the appropriate step. If the employee fails to return, such failure will be deemed to be a voluntary resignation with waiver of all accrued benefits unless an extension has been approved. The employee will not be continued on the District's health policy unless the employee pays the full cost thereof.
6. The leave of absence must be of benefit to the School District

## **H. UNEXCUSED ABSENCES**

Unexcused absences shall result in loss of pay for the days missed. This would include days when employees are away from their homes and are prevented from reporting to their work sites because of inclement weather, car trouble, etc. while school is in session.

## **I. SICK LEAVE BANK**

A voluntary sick leave bank has been established for all eligible employees with the following conditions and provisions:

1. Employees shall become eligible to join the sick leave bank when they have completed a minimum of six (6) months employment.
2. Upon receiving their appropriate number of days of leave, each participating employee shall contribute one (1) day of sick leave per year

to the bank. A “day” is equal to the number of hours an employee is required to work per day as identified on his/her contract.

The deadline for sick leave bank enrollment shall be on September 15 of each year. Eligible employees declining to become participants in the bank by September 15 of their year of eligibility shall be ineligible for participation in that year.

3. At the time the bank accumulates 300 days, current participating members shall be considered to have fully paid their contribution to the bank and, providing that the bank maintains a 300 day balance, shall no longer be required to make annual contributions to the bank in order to maintain their membership. When the bank has accumulated 300 days, new employees may be deemed to have fully paid their contribution by contributing one (1) day of sick leave for each year of the next five (5) year period, at which time the new employee shall be a fully paid contributor to the bank. Sick leave which is donated to the bank by new employees shall be maintained in a separate account which shall be used to replenish days which are used out of the sick leave bank. In the event that the supplemental bank is depleted, and the balance of the sick leave bank falls below a total of 300 days, all participating employees, in order to continue as participating members in the bank, will be required to contribute one (1) day sick leave per year until the bank reaches an accumulation of 300 days.
4. A participating member will be able to use a maximum of forty-five (45) days from the bank per school year, which will be administered by the Superintendent or designee.
5. A member must contact the Superintendent in writing three (3) days in advance of requesting use of the sick leave bank in non-emergency situations. In emergency situations, this three (3) day advance notice requirement can be waived by the Superintendent. The sick leave bank cannot be accessed retroactively.
6. Preconditions to be met prior to use of the sick leave bank:
  - a. This pool is for the protection of the individual participating employee during a long-term extended illness or disability of the employee, their spouse, or child, causing an absence from regularly assigned duties which extend more than three (3) duty days beyond the number of leave days which an individual participating employee has accumulated.

- b. A member must have exhausted all leave resources after which the member will be in a three (3) day waiting period, during which time he/she will be on leave without pay. After returning to work, an individual may re-enter the sick leave bank, after demonstrating another three (3) day waiting period without pay. The total number of days of sick bank leave cannot exceed more than forty-five (45) days per school year.
- c. A member must have taken a minimum of three (3) consecutive days of leave prior to accessing the sick bank on each request.
- d. Use of the bank will be on a first-come, first-serve basis.
- e. A doctor's statement will be required to enter the sick leave bank in all cases.
- f. On or before the 15th of each month, the Superintendent or designee shall provide a written listing to the Association President of the number of days granted and the number of persons to which those days were granted for that month. Additionally, that listing will certify that no employee has received more than forty-five (45) days for the current school year.

## **SECTION VIII - WORKER'S COMPENSATION**

An employee injured in an accident during duty hours, or his/her representative, shall immediately upon the occurrence of an injury, or as soon thereafter as is practicable, but in no event more than five (5) days, give to the employee's immediate supervisor written notice of the injury. Failure to give notice shall result in all penalties applicable under the Worker's Compensation Act of South Dakota. Failure to provide timely notice of a work-related injury will result in no coverage for the injury under the District's Worker's Compensation Insurance plan.

In the event of a work-related injury in which time off work is covered under worker's compensation, the employee must elect to receive sick leave or compensation but not both in an amount in excess of the employee's regular rate of pay. An employee who has elected to use sick leave and has sufficient leave to cover the time absent from work shall receive regular salary less any amount received for compensation up to, but not in excess of, the employee's regular daily rate of pay. The employee's sick leave account shall be reduced pro-rata with the amount of sick leave paid to the employee. Any sick leave used for the period covered by the worker's compensation shall be returned to the employee up to, but not excess of, the amount of the compensation payments.

## **SECTION IX - RETIREMENT BENEFITS**

Effective July 1, 2021 employees covered by this Agreement shall become eligible for enrollment in the South Dakota Retirement System.

## **SECTION X - INSURANCE PROGRAM**

1. The District shall provide each classified employee with Full Single Coverage with a deductible of Five Thousand Dollars, (\$5,000), which includes medical insurance from Wellmark Blue Cross/BI, vision insurance from VSP, dental insurance from Delta Dental, and group term life insurance policy from MetLife. If the employee elects coverage that exceeds the amount paid by the District for the Full Single Coverage (i.e., employee plus spouse plan, family plan, etc.), the District shall contribute the amount of the Full Single Plan towards the more expensive selected plan, and the employee shall authorize the District to withhold the amount exceeding the District's contribution from the employee's pay. If an employee elects coverage that is less than the contribution provided by the District, the difference will be retained by the District and not paid to the employee.

2. If the employee chooses not to elect one of the District's chosen health insurance plans, the employee may elect to instead receive the sum of Five Hundred Dollars (\$500.00) per month, payable in two (2) installments of Two Hundred Fifty Dollars (\$250.00) for the first two pay periods of each month. If the classified employee elects this option, they will still be responsible for their share of social security taxes, Medicare taxes and Federal Income Taxes. In this case, the employee will also still receive the MetLife Group Term Policy.

3. The employee may also elect to receive neither one of the District's chosen health care plans or the \$500 pay-out. In this case, the classified employee will still receive the MetLife Group Term Policy.

Classified staff will work sixty (60) days on a probationary status, which in some cases may be extended, before receiving a contract. At the end of sixty (60) calendar days, the employee becomes eligible for insurance coverage with the District's insurance program. Final selection of coverage listed above must be made within ten (10) days of becoming eligible.

## **SECTION XI - INSERVICE TRAINING PARTICIPATION**

Employees may be required to participate in specific in-service trainings programs when the immediate supervisor or Superintendent indicates a need exists for

improvement or orientation. If this training is out of District, the District will pay for the cost of travel, lodging and meals, according to District allowable rates.

## **SECTION XII - SCHOOL CLOSING, LATE STARTS OR EARLY DISMISSAL**

School closings, late starts, or early dismissals shall mean closing or calling off school as authorized by the Superintendent. In the absence of the Superintendent, the final decision will be determined by his or her designee. When the conditions could harm the health, or endanger the life of students or staff, e.g., disease, inclement weather, all students, and staff will be dismissed. Any days lost by virtue of school closure shall be made up as determined by the School Board.

The decision as to dismissal of students and staff rests with the building principal, upon notification to and conference with the Superintendent or designee. School called off prior to the beginning of the work day will not be considered a work day and will be required to be made up accordingly. Staff who are required to report to work for their specific work assignments prior to notification of school being called off, will be paid for the hours worked as designated on their time cards.

If there is a late start or early dismissal, building level staff will be granted administrative leave for the hours that school is not in session and for which staff does not work. County office staff will be granted administrative leave under this section when Batesland School closes for weather or the Superintendent dismisses the entire school District.

In cases where the Superintendent calls for a late start or early dismissal for the entire District, administrative leave will be granted for all employees.

## **SECTION XIII - GRIEVANCE PROCEDURE**

### **A. DEFINITIONS**

1. A "grievance" shall mean a complaint by an employee or employees employed by the District and covered by this Agreement that there has been a violation, misinterpretation, or inequitable application of any of the terms of this Agreement, or existing board policy except that the term "grievance" shall not apply to any matter as to which (a) the method of review is prescribed by law, or (b) the Board of Education is without authority to act.
2. An "aggrieved person" is an employee or employees employed by the District asserting a grievance.
3. "Association" shall mean the Oglala Lakota County Classified Education Association.

## **D. TIME LIMITS**

1. No grievance shall be recognized unless it is presented within fifteen (15) working days after the aggrieved person knew, or should have known, of the act or condition on which the grievance is based, and if not so presented, the grievance will be considered as null and void. The same time limit shall apply to any group grievance as described in this Article.
2. If the employee fails to adhere to the time limits or procedures established in the procedure, the grievance shall be considered null and void.
3. If the aggrieved person or appropriate administrator is unable to attend or meet with the aggrieved person due to an absence or illness, the meeting will be rescheduled.
4. The time limits specified in this Article may be extended by mutual agreement, provided the time extension is requested within the time limits set forth in this Article.
5. If a time period provided in this Article expires during a weekend or vacation period occurring during the school year, the time limit shall be extended to include the next regularly scheduled working day.

## **E. PROCEDURE**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered the maximum, and every effort should be made to expedite the process. All grievances must be submitted on the required form to the Superintendent with a copy filed with the appropriate personnel as outlined below.
2. Level 1: The Level 1 grievance must be submitted within fifteen (15) working days of when the aggrieved person knew, or should have known, of the act or condition on which the grievance is based. The principal/supervisor shall hold the Level 1 meeting with the employee within fifteen

- (15) working days of the request, and a decision will be rendered within fifteen (15) working days following the Level 1 meeting. If the principal/supervisor fails to provide a written decision within fifteen (15) working days, then the aggrieved person may proceed to file at Level 2. This step may be waived by mutual written and signed agreement of the grievant and the immediate supervisor. If so, the grievance may proceed to Level 2 provided the grievant files the grievance at Level 2 within fifteen (15) working days.
3. Level 2: If the aggrieved person is not satisfied with the disposition of the grievance at Level 1, the aggrieved person may file the grievance in writing with the Superintendent or designee within fifteen (15) working days after the grievance decision has been rendered at Level 1. The Superintendent or his designee shall meet with the aggrieved person in an effort to resolve the grievance. Such meeting shall take place within fifteen (15) working days after the receipt of the written grievance at Level 2. Within fifteen (15) working days after said meeting, a decision in writing shall be rendered to the aggrieved person. If the Superintendent fails to provide a written decision within fifteen (15) working days, then the aggrieved person may proceed to file at Level 3.
  4. Level 3: If the aggrieved person is not satisfied with the disposition of the grievance at Level 2, the aggrieved person may file the grievance in writing with the School Board, with a copy to the Superintendent, within fifteen (15) working days after the grievance decision has been rendered at Level 2. The School Board will hold a hearing on the grievance within thirty (30) working days of receipt of the grievance. The aggrieved person will be notified a minimum of five (5) working days before the hearing. Within fifteen (15) working days after the hearing, the School Board shall render its decision in writing to the aggrieved party and the Association.
  5. Level 4: If the aggrieved person is not satisfied with the disposition of the grievance at Level 3, the aggrieved party may within thirty (30) calendar days initiate an appeal to the Department of Labor and Regulation. The decision of the Department shall be binding on the aggrieved person and the District in accordance with the provisions of SDCL 3-18-15.2. The investigation and hearing held by the Department shall be conducted in accordance with the rules and regulations of the Department.
  6. It is specifically and expressly understood and agreed that an appeal to the Department of Labor and Regulation constitutes an election of remedies and a waiver of any and all rights by the appealing party or parties and his or her representative(s) to litigate or otherwise contest the appealed subject matter in any court under SDCL 13-46, except in the form of an appeal from the decision of the Department of Labor and Regulation as provided in SDCL 1-26.

## **F. MISCELLANEOUS PROVISIONS**

1. The District shall not retaliate against any employee for participation in the grievance procedure.
2. If a grievance affects a group of employees from more than one (1) building, such grievance may be submitted in writing directly to the Superintendent's office, and the processing of such grievance may be commenced at Level 2. A group grievance must be submitted within the time limitations set forth in D above.
3. The District and Association shall provide and utilize the grievance procedure form attached to this Agreement as Appendix A. A supply of grievance forms shall also be on file with the business office and the Superintendent.
4. All procedural documents and records dealing with the processing of a grievance shall be kept in separate sealed portion of the personnel file of any of the participants. Any such documents and records may only be opened based upon the written approval by the Superintendent.
5. The District shall make available to the aggrieved person or the aggrieved person's representative all pertinent information, not privileged under law, in its possession or control that is relevant to the issues raised in the grievance.
6. When it is necessary for an aggrieved person or representative to attend a meeting or a hearing called during the school day, such person(s) shall make advance arrangements with the principal and they shall be released without loss of pay for such time as their attendance is required at such meeting or hearing.
7. Employees who voluntarily terminate their employment will have their grievances immediately withdrawn.
8. Neither school vehicles nor school supplies shall be provided or used by the Association or its members in connection with any grievance filed.

## **G. SELF REPRESENTATION**

Any individual employee or group of employees shall have the right at any time to present grievances to their employer and to have such grievances adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of the negotiated agreement, provided that the Association's representative has been given opportunity to be present at such adjustment.

## **H. DAYS DEFINED**

Except as otherwise expressly provided, the term “Days” as used in this policy shall mean school days.

## **I. COPY OF THE AGREEMENT**

An executed copy of the negotiated agreement shall be posted on the District website for review and use by the employees covered by this Agreement. Notification of such posting will be reflected on the individual wage memorandums of the employees covered by this Agreement.
