Any MISD student may receive a physical at any campus. This will be the only times that the physicals will be provided and paid for by MISD for 2020-2021 participation. Any athlete, who fails to get his/her physical at the assigned times, will be required to schedule and pay for their physical. Required paperwork with signatures must be turned in prior to physical. All physicals will be done in the gym areas of the respective school and all coaches of assigned campus are required to be present to assist.
