

2021 – 2022 Pre-Participation Sports Physicals

With the after effects of COVID 19 we were not able to offer mass physicals this year. The current physical is good through June 30th and a new 2021-2022 pre-participation physical will be needed starting July 1st for student athletes from middle school age up.

I wanted to give your athletes some options of where to get their physical for this year.
