

Winona Elementary School's Request for Proposals for Professional Development- ESSER II

Summer of 2021

Winona Elementary School is seeking professional development for the Summer of 2021. The professional development should focus on the following areas in ELA and Math:

- Learning Loss due to Covid-19
- Effective utilization of programs and resources specific to Winona Elementary School; please contact Tabitha McCrory, Winona Elementary School Principal, for specific information about resources and programs- (662)283-4129.
- Guidance and support in effective grade-level planning strategies that address learning loss and differentiation
- Guidance and support in effective grade-level planning strategies that address teaching standards at the Evidence of Knowledge Performance Level

Number of ½ Days Needed for professional development for certified teachers:

- June 2021- 2 days (These are ½ days for both ELA and Math.)
- July 2021- 2 days (These days are ½ days for both ELA and Math.)

Professional Development Settings:

Teachers will meet in the following settings: 4 hour sessions with up to 20 participants in a common planning room at Winona Elementary School.

There should be separate proposals written for math and ela.

Additional Required Elements:

- Proposal must include a breach of contract statement addressing any vendor lack of quality of work, vendor failure to provide services or the school's lack of satisfaction.
- Proposal must include a statement identifying the vendor's debarment status.
- Proposal must include a presentation format flexibility clause ensuring delivery of services in multiple formats if needed.

Date for proposals to be emailed to Tabitha McCrory, Principal of Winona Elementary School:

May 24, 2021
