

BUS ROUTE ADJUSTMENTS FOR JANUARY 19, 2018

All buses will run on a two-hour delay. The following bus routes will run adjusted snow routes due to hazardous road conditions. **Please Note: Student safety is always the district's top priority. If the bus driver finds a road to be hazardous during his/her bus route, the driver may need to make additional adjustments to the route at that time. If the driver is not able to safely pick up your child, you will be contacted via the Transportation Office's Remind 101 text messaging system for your specific bus route. You may also contact the Transportation Office at 870-942-5522 for updates in the morning.**
