Comments: We had a very warm and windy day which slowed some of the times on the track, but it was mostly a cross wind for the field events and we saw lots of good marks there. Lauren broke her own school records in the Long Jump & Triple Jump and 4 of our relays cut significant amounts of time. We've still got a lot of work to do, but we're starting to see the results of our work so far. We're in the middle of a busy couple of weeks with a total of 4 meets due to some cancellations. The things we do away from practice: rest, hydrate, and eat well, will have a big impact on how we do down the stretch.
