For Immediate Release:

The Farmington School District is aware of a reported incident that occurred on one of our campuses on April 27th. Although we cannot comment on any specific situation because of student privacy laws and policies that protect the confidentiality of all involved, we are committed to educate our students that our core values of Security, Relationships, Integrity, Excellence and Service transcend all barriers.

Farmington School District is not immune to the social issues currently affecting our nation. We will always strive to be part of the solution. Anytime improper conduct is reported, or we learn of it, the district takes immediate steps consistent with our policies to thoroughly investigate the incident and address it through disciplinary procedures and extended services. The District has taken appropriate action to investigate the situation and assure the safety of students. When it is appropriate, we also report such matters to the authorities. Any unjust treatment of people especially on the grounds of race, age, sex, or disability is unacceptable. We are committed to student safety. The safety and success of our students and staff is our top priority.
