Algonquin Early Learning Center's Mission:

Algonquin is committed to meeting the needs of our diverse student body by providing high quality, developmentally appropriate, and structured learning opportunities in order to lay the foundation to their success as lifelong learners.

Dear Families,

As we wrap up the 2020-2021 school year over the next five weeks, I want to thank you for partnering with us throughout this school year. Students, families, and staff have gone above and beyond to ensure engaging and rigorous learning, remotely. I appreciate your continued efforts each and every day. Whether your child will be moving on to Kindergarten next year or returning to Algonquin for another year of preschool, it has been our pleasure to help set the foundation for future success.

The Parent Educators have put together a few fun Family Engagement activities. Be sure to check them out by clicking [here](#).
