High School Juniors **September**

A Voice for Animals Contest

Participants must currently be attending middle or high school, or be home-schooled and under 19 years of age on the date the contest opens for entries. The contest is open to all otherwise eligible students worldwide regardless of nationality, citizenship or country of residence.

ARTBA's Student Transportation Video Contest

There has been a lot of talk about transportation and infrastructure lately, ranging from debates in high school to debates in Congress. The American Road & Transportation Builders Association (ARTBA) would like to know what you think. Now in its sixth year, the Transportation Video Contest has just opened, and students of all ages are encouraged to apply!

October

\$1,000 College JumpStart Scholarship

Applicants must be high school sophomores, juniors or seniors or adult students. Applicants may study any major and attend any college in the U.S. Applicants must be legal residents of the United States and complete the online application form including the required personal statement. The award may be used for tuition, room and board, books or any related educational expense.

Dartmouth International Science and Essay Contest

Welcome to the International Science and Essay Contest. This contest is open to any student in grades 9-12 interested in science and writing. For more information or to apply, please visit the scholarship provider's website.

November

Leadership Enterprise for a Diverse America (LEDA) Scholar Program

Each year, LEDA recruits approximately 60 students around the US to become LEDA scholars. Scholars are exceptional students from socioeconomically disadvantaged communities, which are currently under-represented in our nation's top colleges, universities, and leadership sectors. Students apply as juniors and then attend a summer institute between their junior and senior year which is held on the Princeton University campus.

December

Apprentice Ecologist Scholarship

Three (3) scholarships will be awarded annually to the authors of the three best Apprentice Ecologist essays. Applicants should embody the spirit of the Apprentice Ecologist Initiative by demonstrating personal leadership and environmental stewardship in their project. Essays will be judged by a committee of Nicodemus Wilderness Project board members, volunteers, and past Apprentice Ecologist award winners. Winning essays have been 750 to 1,500 words long.

January

ABPA Harrington-Arthur Memorial \$1,000 Scholarship Essay Competition

The ABPA Harrington-Arthur Memorial Scholarship Essay Competition was established to reward students that seek to increase their knowledge and understanding of how Cross-Connection Control and Backflow Prevention help ensure safe drinking water.

Ann Liguori Foundation Sports Media Scholarship This scholarship supports the study of sports media communications or management and is intended for those hoping to pursue a career in sports broadcasting, reporting, programing or production. Applicants must be at least a rising junior.

Baer Reintegration Scholarship

Reintegration is an achievable goal and dreams are possible for those who have been touched by mental illness. The Center for Reintegration together with the Sidney R. Baer Jr. Foundation will continue to offer the Baer Reintegration Scholarship for those active in their recovery. The scholarship applications are generally available from October to January each year, and eligible applicants are invited to apply.

Carson Scholars Fund, Inc.

An interested student must be nominated by an educator at his or her school to be able to compete for a Carson Scholarship. Only one student from each school is able to apply, ensuring that each nominee epitomizes academic excellence. Carson Scholars must have a minimum GPA of 3.75 and display humanitarian qualities through community service. Scholarships are awarded solely on the basis of academic achievement and humanitarian qualities, without regard to financial need, ethnicity, creed or religion.

Profile in Courage Essay Contest

The contest is open to United States high school students in grades nine through twelve attending public, private, parochial, or home schools; US students under the age of twenty enrolled in a high school correspondence/GED program; and US citizens attending schools overseas.

February

1,000 Dreams Scholarship

The 1,000 Dreams Scholarship provides one-time educational assistance for currently enrolled high school-aged women. This can include assistance for needs including but not exclusive to: educational conferences, instructional programs related to creative or artistic pursuits, graduate exam application fees, textbooks or tuition.

AMS Freshman Undergraduate Scholarship

The American Meteorological Society is pleased to announce the AMS Freshman Undergraduate Scholarship program, open to all high school students and designed to encourage study in the atmospheric and related sciences. Serving as a unique example of various sectors of our field joining together to support young, talented minds, the scholarships are being sponsored by partners in industry, as well as through named scholarships either established by an AMS member or in memory of someone.

Captain Kevin Kyle Mosley Private Pilot Scholarship

This annual scholarship awards \$2,500 to one Oregon high school junior or senior (aged 16-18) with a passion for aviation to help him or her obtain a private pilot license (e.g. ground school instruction, dual and solo flight instruction, pre and post flight instruction, the FAA written test and flight examiner's fee for the private pilot check ride). Note: Actual expenses to complete the training may exceed the scholarship gift amount.

Courageous Persuaders Video Scholarship Competition

Courageous Persuaders is a peer-to-peer national scholarship competition that invites high school students in grades 9-12 to create a 30-second commercial to warn middle school students about the dangers of underage drinking and the dangers of texting while driving.

WACE encourages minority and female students as well as students interested in science, mathematics, engineering and technology (SMET) to apply for this merit co-op scholarship.

National FFA Scholarship Program

Scholarships are sponsored by businesses and individuals through the National FFA Foundation and are given for a wide variety of experiences, career goals and higher education plans. The selection process takes into account the whole student - FFA involvement, work experience, Supervised Agricultural Experience (SAE), community service, leadership skills and academics. More than 1,500 scholarships are available with just one application to complete for eligibility. Applicants must have been FFA members for 4 years, have completed a SAE Ag experience project, have participated in district or state activities, served in an FFA leadership role, and be studying in an Ag related field.

National Society Daughters of the American Revolution

The NSDAR awards multiple scholarships to students showing dedication to the pursuit of degrees in diverse disciplines including history, law, nursing, and education. All multi-year scholarships, typically renewable up to four years, must be for consecutive years of attendance at an accredited college or university in the United States. The only exception is the American Indian Scholarship that is available for students pursuing vocational training.

Oregon Wheat Scholarship Award Program

A \$1,000 scholarship for graduating seniors is offered to recognize graduates from each of the Oregon Wheat Growers League county associations. To be eligible to apply for this award, the student's family must be a member of the OWGL or an employee of a grower member. The scholarship is also offered to high school seniors who have worked part time for a grower member. All applicants must be planning to enroll in a University or two-year Community College with the intent of completing a bachelor's degree.

Pacific Northwest Regional Council of Carpenters

The Northwest Carpenters' Union values education from grade school to apprenticeship and beyond. We want to offer both our members and their families' access to the high quality college education that working members of the Northwest's Middle class deserve. Applicant's sponsoring family members must have voting rights at their local union and be children, stepchildren or grandchildren of PNWRCC.

Tesoro Youth Leadership Awards

Tesoro Industries is providing college scholarships for outstanding young leaders. This new scholarship has been launched to encourage young scholars who are leading by example in their schools and communities.

Thomas E. "Tom" Pitzer Maintenance Scholarship

This scholarship provides \$1,000 to help a worthy candidate pursue an Associate of Applied Science Degree with FAA & A&P Certification or an alternate degree field related to aviation maintenance. The scholarship is offered to an Oregon public high school senior or high school graduate with a GPA of 3.0 or higher. Applicants must be a U.S. citizen and plan to attend an accredited and FAA approved school within Oregon, such as Lane or Portland Community College, and start in the Fall term.

Thornton FFA Scholarship

This scholarship has been established to encourage FFA members in the state of Oregon to pursue higher educational opportunities in agriculture with the ultimate goal of seeking a career in agriculture, not limited to production agriculture, but to include agribusiness and veterinary medicine.

March

ACS Scholars Program

Scholarship is open to African American, Hispanic/Latino, and American Indian students who are graduating high school seniors or college freshmen, sophomores or juniors intending to or already majoring in chemistry, biochemistry, chemical engineering or a chemically-related science.

Advocacy in Action Video Contest

Any student currently in grades 9-12 at a U.S. school is eligible to participate. The basic criteria is to: 1) talk about the risk from hazardous chemical facilities, and 2) propose at least one solution to this issue. You can talk about the facilities included in our interactive map, or about the unknown risks from additional facilities not included in the map.

American Society of Human Genetics Essay Contest

The contest aims to challenge students to examine, question, and reflect on important concepts in genetics. Essays are expected to contain substantive, well-reasoned arguments indicative of a depth of understanding of the concepts related to the essay question.

Create Real Impact Contest

Car crashes are the #1 killer of teens in America, and the majorities are preventable. Create Real Impact motivates young people to promote innovative and effective solutions and strategies to the deadly epidemic of reckless and distracted driving. Entries are accepted in four formats (writing, art, music, and video) with two special categories (Spanish Language and Sports Theme).

Far West Agribusiness Association

This scholarship program has been designed to provide outstanding high school and collegiate undergraduate students with a chance to pursue their educational goals in college. There are two separate selection pools, one for graduating high school seniors and one for current college students. Scholarships are one year in length and will be awarded in various amounts up to (and not exceed) \$1,000 per student.

Ford Family Foundation Ford Scholars Program

The Ford Scholars Program is open to graduating high school seniors as well as continuing community college students who are seeking a bachelor's degree and are ready to transfer to a four-year college.

Guy Davis OSEA Scholarship

Applicants must also be a member of an ethnic/racial minority or an individual who has made a demonstrative commitment to diversity issues within his or her school and/or community.

Loan for Service

AIGC administers a Bureau of Indian Education contract to provide financial assistance in the form of loans to eligible American Indian and Alaska Natives seeking graduate and professional degrees. The goal is to promote opportunities for careers with tribal governments, Bureau of Indian Affairs and Bureau of Indian Affairs—funded organizations on and off reservations. Loans are paid back at the rate of one year of service for one year of funding.

Lift Parts Express

A \$1,000 scholarship where applicants are asked to write an essay that outlines how much they expect to spend to finish their schooling, how they intend to pay for a higher education, and what they expect their job to be once they have received their degree.

Martin Luther King, Jr. Scholarship Award

The scholarship is awarded to minority nominees who have demonstrated a need and a willingness to continue an educational mission toward a college education or graduate training related to a career in the criminal justice field. An ACA member must recommend nominations to the ACA Committee on Correctional Awards.

Nez Perce Homeland Project & Tamkaliks Scholarships

Four \$500 scholarships will be awarded. Three of these go to Native Americans; one is awarded to a Wallowa County student. One of the purposes of the Tamkaliks Celebration is to promote cultural understanding.

Odenza Vacations

One \$500 scholarship offered by a travel marketing company on the basis of an essay of up to 1,000 words on the topic: "Why do you want to go to College/University?"

Paumanauke Native American Indian Scholarship

Scholarship is open to tribally enrolled Native American Indians attending colleges, universities, and accredited post-secondary educational institutions on a full-time basis.

Washington State University MOU Tribal Scholarship

The MOU Tribal Scholarship was developed through the Provost Office of WSU for members of tribes that are signatory to a Memorandum of Understanding with WSU. The MOU Scholarship is for new incoming freshmen students and transfer students. A student is considered a freshman if they have fewer than 27 transfer college credits.

July

C.T.U.I.R Tribal Health Commission Scholarship

If you are interested in continuing your education in a health related field, and are a CTUIR Member, we welcome you to fill out the attached application for scholarship. Fall term application deadline is the first Friday in July.

Confederated Tribes of Warm Springs Scholarship

Tribal Scholarship is for CTWS tribal members, they must have a HS diploma/official transcripts or GED on file, apply for FAFSA, complete your BELOW 100 level classes, and when eligible, maintain a tribal scholarship requirement of 15 credits with a 2.50 GPA. Please refer to this site for additional information.

Flow Metrics, Inc. Annual General Science and Engineering Scholarship

Flowmetrics is pleased to announce our annual \$1,000 general science and engineering scholarship. If you are a currently enrolled student at an accredited college you are eligible and encouraged to apply.

Hard Money Lender Scholarship

This scholarship is available to all undergraduate or graduate-level students pursuing a degree in the field of business. Students must be currently enrolled in and attending a degree program at an accredited American college or university.

Society for Advancement of Chicanos/Hispanics and Native Americans in Science Scholarships
The Society for Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) funds travel scholarships to attend the SACNAS National Conference. SACNAS is a society of scientists dedicated to fostering the success of Chicano/Hispanic and Native American scientists – from college students to professionals – to attain advanced degrees, careers, and positions of leadership in science.

Yakama Nation College Students Rental Assistance

Beginning March 17, 2016 the Yakama Nation Higher Education will be taking applications for the YNHA Rental Assistance Program for eligible Yakama Tribal Members who are full time students and attending Higher Education Programs in the United States.

Yakama Nation Credit Enterprise Scholarship

Yakama Nation Credit Enterprise and Yakama Nation Higher Education have joined together to bring students a scholarship. Students who are majoring in Business, Accounting, Banking, Real Estate or closely related fields are eligible to apply. Must be a full-time student, enrolled Yakama Tribal Member, submit grade transcripts after each term.

Yakama Nation Environmental Excellence Scholarship

Students must be an enrolled Yakama member, and be enrolled in an accredited 2 or 4 year college or University in a field relating to, or in pursuit of, a degree applicable to Environmental Restoration Waste Management. Students must be enrolled full-time to qualify.

Yakama Nation Wak-Wei Scholarship

A generous donation has been made to the Yakama Nation by an anonymous donor in honor of a past Elder and leader of the Tribe and has selected the name “Wak-Wei Scholarship”. The scholarship will be administered through the Yakama Nation Higher Education Programs. The award is for \$500.00 for freshman and sophomores, (4 awards) and \$1,000.00 for junior/senior/graduate, (3 awards). The scholarship is for one academic year however award winners may re-apply each year.

August

American Indian Services Scholarship

Applicants must be one-quarter (1/4) Northern-Native American Indian and enrolled in undergraduate studies at university, junior college, or technical school. Applicants must have at least a 2.25 GPA. Deadline is August 1st for a term starting in Oct/Nov/Dec.

BIE STEM Loan for Service

AIGC administers a Bureau of Indian Education contract to provide financial assistance in the form of loans to eligible American Indian and Alaska Natives seeking graduate and professional degrees in Science, Technology, Engineering and Mathematics (STEM). The goal is to promote opportunities for careers with tribal governments, Bureau of Indian Affairs and Bureau of Indian Affairs—funded organizations on and off reservations. Loans are paid back at the rate of one year of service for one year of funding.

Varying Deadlines

AAAS Minority Science Writers Internship

The Diversity Scholarship focuses on broadening the number of traditionally underrepresented groups in the management and operation ranks of the transportation, travel, and tourism industry.

American Indian Nurse Scholarship Awards

The National Society of The Colonial Dames of America has provided a small number of scholarship awards to assist students of American Indian heritage who are pursuing degrees in nursing or in the field of health care and health education. Eligible students receive per semester and the money is to be used strictly for tuition, books or fees applicable to the student's approved program.

Catching The Dream Program

Catching the Dream seeks to address this deficiency. Our high-priority areas of study are math, engineering, science, business, education, and computers. These fields of study are critical to the future of Indian people and the nation, and Native Americans are very underrepresented in these fields.

Chafee Education and Training Grant

The Department of Human Services (DHS) Independent Living Program (ILP) has received Chafee Education and Training Voucher (ETV) funding to help current or former foster care youth with postsecondary education and training.

Confederated Tribes of the Grand Ronde Scholarships

The Higher Education Programs provide a comprehensive offering of Educational services to Tribal members. These services include funding for GED testing, full or part time college level courses, vocational training and personal enrichment opportunities. Please refer to the site of additional information.

Confederated Tribes of Siletz Scholarships

A variety of scholarships are available to enrolled members. Please refer to the website for due dates and additional information.

Coquille Indian Tribe Scholarships

Several scholarships are available for enrolled members. Please refer to the site for additional information and due dates.

Council of Energy Resource Tribes (CERT) Scholarships

The CERT Scholarship Program was created to meet the unforeseen need of today's American Indian college students. CERT Scholarships may be used for books, living expenses, clothing, or other similar needs to assist students in defraying the high costs of education. The award is a gift from the Council of Energy Resource Tribes and should not be counted toward any financial aid the student is currently receiving. A CERT Scholarship is not based on financial need.

Fathom Fountains Scholarship Award

Accepts applicants year round. Students from all walks of life are encouraged to apply for the FathomFountains.com scholarship opportunity. Students who plan to attend college or a university or those who are already enrolled and will be attending an additional year of education can apply for the scholarship. There is no age requirement for college scholarships offered by us.

George A. Strait Minority Scholarships

George A. Strait Minority Scholarships are awarded annually to college graduates with meaningful law library experience who are members of a minority group as defined by current U.S. government guidelines, are degree candidates in an accredited library or law school, and who intend to have a career in law librarianship. Applicants must show evidence of financial need. To apply for the George A. Strait Minority Scholarship, you must also qualify for one of the AALL Educational Scholarships.

IIE UPS Scholarship for Minority Students

IIE's scholarship and fellowship program is in place to recognize graduate and undergraduate industrial engineering students for academic excellence and campus leadership. The UPS Scholarship for Minority Students is available to undergraduate students enrolled in any school in the United States and its territories, Canada, and Mexico, where the school's industrial engineering program or equivalent is accredited by an agency or organization recognized by IIE and the student is pursuing a course of study in industrial engineering.

Zonta International: Jane M. Klausman Women in Business Scholarship

Women of any age, pursuing an accredited business or business-related program who demonstrate outstanding potential in the field, are eligible and encouraged to apply. For a full list of the eligibility and application requirements, please refer to the application.

Internships/Fellowships

AAAS Minority Science Writers Internship

This program places minority students interested in journalism as a career and who want to learn about science writing at Science Magazine for 10 weeks over the summer. Interns experience what it's like to cover the scientific and technological issues that shape our global community.

AICPA Fellowships for Minority Doctoral Students

The AICPA Fellowship for Minority Doctoral Students ensures that CPAs of diverse backgrounds are visible in college and university classrooms. The AICPA Foundation awards annual fellowships to full-time minority accounting scholars who demonstrate significant potential to become accounting educators.

AIGC Fellowship

Graduate fellowships are monetary awards made to American Indian and Alaska Native graduate or professional full-time, degree-seeking students, who meet all eligibility criteria. The fellowship amount is typically between \$1000 and \$5000 per academic year (not including summer), and varies from year to year, depending on the number of qualified applicants, the availability of funds and unmet financial need.

APSA Minority Fellowship Program

Minority Fellows Program is a fellowship competition for individuals from under-represented backgrounds applying to doctoral programs in political science. The MFP was established in 1969 (originally as the Black Graduate Fellowship) to increase the number of minority scholars in the discipline.

ASA Minority Fellowship Program

Minority Fellowship Program applicants can be new or continuing graduate students. However, the MFP is primarily designed for minority students entering a doctoral program in sociology for the first time or for those who are in the early stages of their graduate programs. MFP applicants must be applying to or enrolled in sociology departments which have strong mental health research programs and/or faculty who are currently engaged in research focusing on mental health issues.

ASM Undergraduate Research Fellowship (ASM-URF)

The ASM Undergraduate Research Fellowship (URF) is aimed at highly competitive students who wish to pursue graduate careers (Ph.D. or M.D./Ph.D.) in microbiology. Students will have the opportunity to conduct full time research at their home institutions with an ASM member and present research results at ASM Microbe the following year.

Chips Quinn Scholars Program

The program, operated by the Newseum Institute and funded by the Freedom Forum, matches qualified candidates with participating news organizations from across the country for 10- to 12-week paid internships. Selected scholars participate in an intense, one-week orientation/multimedia training workshop at the John Seigenthaler Center in Nashville, Tenn., in preparation for their internships. The training in Nashville is paid for by the Newseum Institute.

CRITFC TRAIL Project - Summer Field Experience

Deepen your understanding through a TRAIL summer internship. The Teaching Rising American Indian Leaders—Internship Project offers practical experience and mentoring for students pursuing Science, Technology, Engineering & Math (STEM) degrees by providing research experience, mentoring, and an opportunity to explore career options in natural resources.

CRITFC TRAIL Project - Research Internship

Deepen your understanding through a TRAIL internship during the academic year. The Teaching Rising American Indian Leaders—Internship Project offers practical experience and mentoring for students studying for degrees and preparing for careers in Science, Technology, Engineering & Math (STEM). Applications are due one month prior to the start of the project.

CWGCS Fellowship on Women & Public Policy

The fellowship is an intensive leadership development program designed to maximize the skills and contributions of women to achieve excellence in public service. The fellowship program is open to graduate students and working professionals who have successfully completed a minimum of 12 graduate credits in any academic discipline and have a minimum of 3-5 years work experience.

EPA Environmental Research and Business Support (ERBS) Program

The purpose of the EPA Environmental Research and Business Support Program is to address EPA's need to increase the supply of promising scientists, engineers, and administrative personnel in disciplines related to the EPA mission. This program provides opportunities for exceptional undergraduate and graduate students and recent bachelor's, master's, and postdoctoral graduates to work in the U.S. Environmental Protection Agency's (EPA) Office of Research and Development (ORD) research and administrative projects at multiple EPA laboratories and research centers.

Fish & Wildlife Service Internships

Employment with the U.S. Fish and Wildlife Service is an effective way for students to gain work experience, earn money, and establish a career in conservation and natural resources. There are employment opportunities for students in high school through graduate school ranging from summer work to year-round internships that could lead to permanent positions.

Friends of Tryon Creek - Outreach & Membership Intern (Unpaid)

The intern will fill 2-3 shifts per week at the front desk of the Tryon Creek Nature Center, promoting Membership with FOTC, and providing visitors with information about the park, our programs and events. The intern will also spend one additional shift at a table outside on the trails focused on Membership promotion and volunteer recruitment. The intern will also assist staff in the development of a social media plan to grow FOTC's engagement and followers online.

Indian Land Tenure Foundation Internship Program

The College Internship Program is designed to work with colleges and universities in offering a college internship opportunity for students to become directly involved in land tenure issues for college credit. This program places students at a tribal office working directly on land tenure issues under the supervision of appropriate tribal office staff and college faculty.

ITEP Environmental Education Outreach Program Internship

Since 1994, the Institute for Tribal Environmental Professionals (ITEP) has offered student summer internships for Native American and other college students with funding from the U.S. Environmental Protection Agency (USEPA). This program provides the opportunity for students to gain hands-on skills with EPA or other governmental and tribal environmental offices.

Mosaics in Science (MIS) Diversity Internship Program

The Mosaics in Science (MIS) Diversity Internship Program provides college students and recent graduates 18-35 years old that are under-represented in STEM (science, technology, engineering, and math) career fields with on-the-ground, natural resource science-based, work experience in the National Park System. Each internship is comprised of working eleven weeks in a park followed by a four-day career workshop held in Washington, D.C.

NAPIRE (Native American and Pacific Islander Research Experience) in Costa Rica

Undergraduates will be selected through a competitive application process for a nine-week research program at La Selva Research Station or Las Cruces Research Station in Costa Rica. Students will live immersed in a rich academic community of researchers conducting novel tropical research and will attend workshops on field skills, current research in tropical biology, international research ethics, statistics, and scientific written and oral communication.

National Science Foundation Research Experiences for Undergraduates

NSF funds a large number of research opportunities for undergraduate students through its REU Sites program. An REU Site consists of a group of ten or so undergraduates who work in the research programs of the host institution. Each student is associated with a specific research project, where he/she works closely with the faculty and other researchers. Students are granted stipends and, in many cases, assistance with housing and travel.

Native American Political Leadership Program

The Native American Political Leadership Program (NAPLP) is a full scholarship for Native American, Alaska Native, and Native Hawaiian students who want to take part in Semester in Washington Politics. It is open to undergraduate and graduate students, including those who have completed their undergraduate degree but have not yet enrolled in a graduate program.

NCAI Native Graduate Health Fellowship

Applicants should be members of an American Indian or Alaska Native tribal nation and must be new or continuing full-time students in the Fall of 2016 pursuing graduate or professional degrees in any health-related area, including Doctor of Medicine (MD), Master of Nursing (MSN), Doctor of Nursing Practice (DNP), Master of Public Health (MPH), Master of Pharmacy (MPharm), etc.

NCAI: Wilma Mankiller Fellowship

An internship with NCAI offers a unique opportunity for young leaders from throughout Indian Country—as well as for other young leaders with an interest in Native affairs, to be on the front lines of legislative action and policy development from within the oldest, largest, and most representative American Indian and Alaska Native organization.

NOAA Climate & Global Change Postdoctoral Fellowships

Applicants must have a PhD degree in an area related to climate change research and have completed defense of the degree before starting the fellowship. Preference is given to new graduates who are seeking their first fellowship and who have held a PhD for no more than three years. We encourage applications from women and minorities and U.S. citizenship is not a requirement.

OMSI Internships

Our program is competitive, but we're eager to hear from you. Internships are unpaid and are typically a twelve-week commitment.

Predoctoral Fellowship

Fellowship is open to all citizens, and permanent residents of the United States, as well as individuals granted deferred action status under the DACA program. Applicants must be enrolled or planning to enroll in an eligible research-based program leading to a Ph.D. or Sc.D. degree at a non-proprietary U.S. institution of higher education. Applicants must be committed to a career in teaching and research at the college or university level.

Presidential Management Fellowship

The Presidential Management Fellows (PMF) Program is administered by the U.S. Office of Personnel Management (OPM). Each year, candidates apply to the program in efforts to be selected as Finalists. Finalists are then eligible for appointment as Presidential Management Fellows (Fellows; PMFs).

Science to Action Fellowship Program

The program is open to Master's and Doctoral students in MSU's Department of Fisheries and Wildlife or at any Climate Science Center consortium institution. Students must be enrolled at the institution for the entire fellowship year.

Klamath Tribes Scholarships

This is an assistance program that serves as a secondary resource to supplement training institutions' financial aid package which is applied for by a Klamath Tribes member. Awards vary and depend on an individual's financial need and availability of funding.

Udall Native American Congressional Internship

The Native American Congressional Internship Program provides American Indian and Alaska Native students with the opportunity to gain practical experience with the federal legislative process in order to understand first-hand the government-to-government relationship between Tribes and the federal government.

Washington Internship for Native Students

American Indian, Alaska Native, and Native Hawaiian (AI/AN/NH), and other students enrolled in a college or university as a sophomore, junior, senior, or graduate student in good academic standing are eligible to participate in the WINS program. Sophomores must have completed the equivalent of three (3) semesters of full time study to be eligible to participate in the program.

WSU Undergraduate Research Opportunity: Data-intensive research in the environmental sciences

Participants must be currently registered at a two or four year college, and may not have received their Bachelor's degree prior. Women, members of demographic groups traditionally underrepresented in environmental fields, and students from community colleges or institutions that do not offer research opportunities for undergraduates are particularly encouraged to apply. You must be a U.S. Citizen or permanent resident in order to receive NSF funding.

Oregon Community Colleges

Blue Mountain Community College Foundation Scholarships

The BMCC Foundation and Financial Aid office attempt to post all local and national scholarship opportunities. Most scholarship applications are due March through May for funding fall term. Mid-year scholarships are sometimes made available. Please check back often for updated information. Most scholarships require you to submit an essay.

Central Oregon Community College Foundation Scholarships

Each year the COCC Foundation offers nearly 350 awards totaling \$1.5 million for local students. A scholarship is easy to apply for and can be renewed for two additional years.

Chemeketa Community College Foundation Scholarships

The application is available online beginning February 1st and ending March 31st. Scholarships are awarded each year beginning at the end of May. The Foundation will continue awarding first-round scholarships through July. Students are encouraged to continue checking their My Chemeketa email account weekly for a scholarship notification through the beginning of fall term as scholarships will continue to be reoffered.

Clackamas Community College Scholarships

CCC awards more than \$700,000 in scholarships each year to local students like you. More than 275 scholarships are available and you don't have to have a perfect GPA to qualify. Applications are due Oct. 31 at midnight. It's worth the time to apply.

Clatsop Community College Scholarships

CCC foundation manages approximately \$2.9 Million in privately donated funds which provide scholarships for CCC students and funding for CCC programs.

Columbia Gorge Community College Foundation Scholarships

Columbia Gorge Community College Foundation is pleased to offer its students tuition scholarships provided by the Foundation Board and their generous donors. Scholarships are available to any student who is not funded by an outside agency.

Klamath Community College Scholarships

Attached is the list of scholarships KCC's Financial Aid Office has selected that are of special interest to our students, including KCC's Foundation awards, available only to KCC students.

Lane Community College Foundation Scholarships

Lane Community College Foundation offers many scholarship opportunities for students.

Linn-Benton Community College Scholarships

Scholarships are available for any Linn-Benton Community College students.

Mt. Hood Community College Scholarships

Scholarships are available for any MHCC students, or any students who have applied for admission to MHCC. The regular application cycle opens during winter quarter.

Oregon Coast Community College Foundation Scholarships

The OCCC Foundation awards scholarships providing assistance for tuition, fees, and books for sixty-four deserving students. Seventy-nine percent of applicants received a scholarship, with awards ranging from \$500 to \$4,500.

Portland Community College Foundation Scholarships

The PCC Foundation awards hundreds of scholarships every year to students who may not otherwise be able to afford an education. Foundation scholarships pay for tuition, fees, and books for students enrolled at PCC.

Southwestern Oregon Community College Foundation Scholarships

Each year, approximately 3,000 students attend Southwestern full-time. Of those students, 92 percent qualify for some form of financial aid. In addition to direct Foundation scholarships, the College also provides approximately \$800,000 annually in direct assistance and tuition waivers to students attending Southwestern. Application cycle is open annually from January 1st -March 1st for SOCC students.

Tillamook Bay Community College Scholarships

The TBCC Foundation offers many different types of scholarships that can help you pay for tuition, fees, books, child care expenses and more. If you are struggling to afford your education, we encourage you to talk with a financial aid advisor and to take the time to see if you are eligible for a scholarship.

Treasure Valley Community College Foundation Scholarships

Multiple scholarships are available for TVCC enrolled students. All applications must be received or post-marked by January 15th in order to be considered.

Umpqua Community College Foundation Scholarships

UCC Foundation Scholarships are available for UCC enrolled students. The UCC Foundation generally observes a limit of \$4,000 per student, per academic year for Foundation scholarships. However, some exceptions may apply.

Oregon Universities

Eastern Oregon University Scholarships

Several scholarships are available throughout the year for students enrolled at EOU. Refer to site for application dates and deadlines.

Oregon Health Sciences University Scholars for a Healthy Oregon

SHOI funding provides full tuition and applicable fees for a limited number of eligible students entering specific clinical degree programs at OHSU. In return, funding recipients agree to practice as a healthcare practitioner in a rural or underserved community in Oregon for a minimum of one year longer than the total years of funding received.

Oregon Institute of Technology Scholarships

Several scholarships are available for students enrolled at OIT. Refer to website for application dates and deadlines.

Oregon State University Scholarships

Several scholarships opportunities are available for students enrolled at OSU. Refer to the website for application dates and deadlines.

Oregon State University Scholarship for Women and Minorities in Engineering

Visit the website for a list of available scholarships.

Portland State University NASCC Scholarship & Donations

The Native American Student and Community Center scholarship will be awarded to students at Portland State University who demonstrate a commitment to the betterment of Native American, Alaskan Native and Pacific Islander communities. The students selected for this scholarship must also demonstrate need.

Southern Oregon University Scholarships

Southern Oregon University has many merit-based and need-based scholarships available! To be considered for scholarships at SOU, follow the steps listed on the site.

University of Oregon Scholarships

Several scholarships are available for students enrolled at the University of Oregon. Refer to the web site for application dates and deadlines.

Western Oregon University Scholarships

Several scholarships are available for students enrolled at WOU. Refer to the website for application dates and deadlines.

Washington Community Colleges

Bellevue College Scholarships

Refer to the site for application dates and deadlines.

Big Bend Community College Scholarships

Applications for scholarships are typically available December through February with awards being announced mid-April. Refer to site for application dates and deadlines.

Clark College Scholarships

The Clark College Foundation is one of the largest community college foundations in the country and offers several scholarships to Clark College students each year. Deadlines for scholarship applications are generally in late winter or early spring for the following school year.

Columbia Basin College Foundation Scholarships

For more than 25 years, the CBC Foundation has helped deserving students with scholarships. Applications are always due by February 21 and we accept applications any time before that date, too.

Community Colleges of Spokane Foundation Scholarships

The vast majority of Foundation scholarships are awarded from our general pool of applicants over the summer. The general scholarship application period opens January 3rd and closes March 15th, 2017. Additional opportunities will be posted as they come available.

Edmonds Community College Scholarships

Several scholarships available to ECC enrolled students. Refer to the site for application dates and deadlines.

Everett Community College Scholarships

Refer to the site for application dates and deadlines.

Highline College Scholarships

Refer to site for application dates and deadlines

Lower Columbia College Scholarships

LCC's online scholarship application system allows students to apply for multiple scholarships with a single application! There is no cost to apply. Awards vary from \$500 to \$5,000. All current and future students are strongly encouraged to apply.

Northwest Indian College Scholarships

Refer to site for application dates and deadlines

Shoreline Community College Scholarships

Annual scholarships offered through the SCC Foundation. Refer to the site for application dates and deadlines.

South Puget Sound Community College

Scholarship opportunities for SPSCC enrolled students. Refer to the site for application dates and deadlines.

Tacoma Community College Foundation Scholarships

Each year over 200 scholarships are awarded to TCC students. Money is provided by friends of the TCC Foundation to help students pay for tuition, books, fees, and in some instances, art supplies.

Walla Walla Community College Scholarships

Funds for scholarships come from various sources ranging from WWCC to numerous organizations, both private and public. Awards are based on academic performance, potential to benefit, and in some cases, financial need. Many scholarships are designed for students in specific fields of study.

Whatcom Community College Scholarships

Refer to site for application dates and deadlines.

Yakima Valley Community College Scholarships

Refer to site for full list of scholarships and deadlines.

Washington Universities

Central Washington University Scholarships

Several scholarships are available for student enrolled at CWU. Refer to the site for application dates and deadlines.

Eastern Washington University Scholarships

Through one simple application process, EWU awards over \$5.5 million in scholarships to nearly 1,500 students each school year. There are scholarships based on major, hometown, community service and more!

The Evergreen State College Scholarships

We encourage all students to consider applying for scholarships and tuition awards as a way to assist with educational expenses. For a full list of scholarship dates and deadlines refer to the site.

University of Washington Scholarships

The Office of Student Financial Aid offers scholarship opportunities to undergraduate students. These funds are awarded to Washington resident students on the basis of financial need. Students attending Bothell or Tacoma campuses should check with the Financial Aid Offices at their campus for information about scholarships specifically designed for their students.

Washington State University Scholarships

At WSU, scholarships are awarded using a variety of factors such as academic achievement, community involvement, employment experiences, areas of study, financial need and several others. While it's true the majority of scholarships are made in the spring for the upcoming academic year, scholarships are awarded year round for the fall and spring terms.

Western Washington University Scholarships

The WWU Scholarship Center is available to assist students and their families as they search and apply for scholarships. The awarding of a scholarship represents not only a significant source of financial assistance, but recognition of your special achievements and an investment in your potential.
