BROUGHT TO YOU
BY QCT STUDENT
LEADERSHIP

Welcome to May, QCT families!

I cannot believe how quickly this year is moving along and how soon Summer will be with us! As always, I just want to thank all of you for entrusting our school and staff with your wonderful children. Our QCT students are our pride and joy!

As our staff and school begins to plan for next year, there is one ask that would help us in planning. If your family will be moving or changing schools, please notify our office of your plans. The office can be reached at 360-965-3100. This will help us as we look at classroom sizes and placements for the 21-22 school year.

Also, please know our staff is hard at work planning on how we can honor some of our same end of year traditions, for example our 5th grade potlatch, while maintaining health and safety guidelines. More information will be coming out about this and other events in the coming weeks.

Last, but not least, THANK YOU to all of the families who attended our first Coffee with the Principals' event this last Thursday. We appreciated the discussion and connections around how we partner to make the learning experience at QCT a great one!

In partnership and with gratitude,
Sarah-Marie Boerner, Principal

Book Up Summer Program

The Book Up Summer will once again be at QCT for students in K-2nd graders. This is a wonderful program where students will get 12 free books for summer reading. The dates to pick out your 12 free books are May 10-14th. It will once again be online. We would love for students to pick out their books with family at home. However, we understand that we may have to choose books for some families. Family information Zoom meeting will be Tuesday, May 4th at 11:00 a.m. and 6:00 p.m. with the Librarian, Mrs. Ervin. This will be a great time to ask any questions you might have. More information will be coming in home emails including the link to click on to order books along with instructions. Stay tuned!

Thank you, Mrs. Ervin, Librarian

Warm Weather Clothing Reminder

As the weather warms up, please encourage your students to dress accordingly. They may want to have a sweater, sweatshirt, or lightweight coat for those chilly mornings.

NOT RETURNING NEXT YEAR?

If you find that you are not returning to our school next year, please let the office know as soon as possible.

We have already begun planning for next year and it is helpful for class placements .

Once you know which school your student will attend, please register them as soon as possible at the new school. The new school will then request your student's records from us.

Thank you to those families that joined our Coffee with the Principal event. A special thank you to the QCT PTA for providing the refreshments.
