

Act 1240 Digital Learning Waiver Request

Status: **Information or Changes Requested**

 **Mulberry/Pleasant View Bi-County Schools (1704000)**
School Year 2021-2022

Applications will be reviewed in the order received. Incomplete applications will be returned to the district.

A notification letter will be sent to the superintendent at the email address listed above upon approval by the Arkansas State Board of Education.

NOTE: The approved application must then be posted on the district website - State Required Information.

District:

LEA #: 1704000
Superintendent: Lonnie Myers
Email: lmyers@mpvschools.com
Phone: (479) 997-1715
Duration Requested (not to exceed five years): 5 Years
(School year 2021-2022 to 2026-2027)

The proposed waiver(s) will apply to the following schools:

LEA(s)	Grades/Courses	Interaction	Delivery	Platforms
1704016 - Marvin Primary School	k-12	Asynchronous	Virtual (Online) / Remote (Distance)	LMS
1704017 - Mulberry High School		Synchronous		
1704018 - Pleasant View Campus School				

Waivers

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
Attendance			6-18-213(a)(2)	

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
				<p>Mulberry/Pleasant View Bi-County School District will utilize online virtual (remote) learning through the GFESC K-6 Virtual option. The program will provide instruction using a dual model of both synchronous and asynchronous online learning. Students will engage in digital coursework through the Red Comet - Buzz Learning Management System (LMS). All students will have the opportunity to participate in live Zoom sessions for synchronous learning with the teacher. All learning and instruction will be virtual. Due to the nature of asynchronous learning, the district requests the attendance waiver. Attendance in GFESC K-6 Virtual option will be measured through engagement. Students who are consistently not engaged may be removed from the virtual option and returned to onsite instruction.</p>
				<p>Mulberry/Pleasant View Bi-County School District will utilize online virtual (remote) learning through the Virtual Arkansas option for grades 7-12. The program will provide instruction using a dual model of both synchronous and asynchronous online learning. Students will engage in digital coursework through the Canvas Learning Management System (LMS). All students will have the opportunity to participate in live Zoom sessions for synchronous learning with the teacher. All learning and instruction will be virtual. Due to the nature of asynchronous learning, the district requests the attendance waiver. Attendance in Virtual Arkansas option will be measured through engagement. Students who are consistently not engaged may be removed from the virtual option and returned to onsite instruction.</p>

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
Class Size Number of students:	1-A.5	DESE Rules Governing Class Size and Teaching Load	6-17- 812(a)(2)	We are not requesting additional waivers for class size. 100% virtual (online) or remote (distance) classes are considered large group instruction courses as per DESE Rules for Distance and Digital Learning and teaching load would not apply as per DESE Rules Governing Class Size and Teaching Load.

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
Teaching Load Number of students: 20 Teacher of Record provides virtual instruction to only students who are remote. Please note that 100% virtual (online) or remote (distance) classes are considered large group instruction courses as per DESE Rules for Distance and Digital Learning and teaching load would not apply as per DESE Rules Governing Class Size and Teaching Load.	1-A.5	DESE Rules Governing Class Size and Teaching Load	6-17-812	We are not requesting additional waivers for the teaching load. 100% virtual (online) or remote (distance) classes are considered large group instruction courses as per DESE Rules for Distance and Digital Learning and teaching load would not apply as per DESE Rules Governing Class Size and Teaching Load.
Six Hour Instructional Day (Waiver applies to virtual/remote students only)	1-A.4.2		6-16-102; 6-16-126	<p>Students will have some control over time, place, and pace in the GFESC K-6 Virtual option. The district and GFESC K-6 will work with students and parents to ensure engagement in the flexible environment. The instructional day will be measured through engagement and mastery of content.</p> <p>Students will have some control over time, place, and pace in the 7-12 Virtual Arkansas option. The district and Virtual Arkansas will work with students and parents to ensure engagement in the flexible environment. The instructional day will be measured through engagement and mastery of content.</p>

Waiver Topic	Standard for Accreditation	Division Rules	Arkansas Statutes	Indicate if the district is applying for the waiver and explain how the district waiver will be utilized.
Clock Hours	1-A.2			<p>Students in a virtual setting where learning is synchronous and/or asynchronous will learn in their own time, place, and pace. This may mean that 60 hours of seat time or clock hours per credit may not be needed to master the course standards</p> <p>Students will have some control over time, place, and pace in the Virtual Arkansas option. The district and Virtual Arkansas will work with students and parents to ensure engagement in the flexible environment. The instructional day will be measured through engagement and mastery of content.</p>
Recess (Waiver applies to virtual/remote students only)	1-A.4.3	DESE Rules Governing Nutrition and Physical Activity Standards and Body Mass Index, Section 7.11	6-6-102(a)(5)	We are not requesting a recess waiver. Physical activity and nutrition standards will be embedded in the curriculum of classes as is appropriate. Required health screenings will be scheduled and conducted at the school.

Digital Model

Please complete the following application with responses describing the school and district digital programming.

Interaction / Delivery

What are the ways teachers and students will interact with digital content (Synchronous or Asynchronous)? Please describe instructional expectations and participation for students.

The GFESC K-6 Virtual option is a dual learning virtual experience with both synchronous and asynchronous instruction. This model allows for flexibility with learning, student-teacher relationships, and targeted learning for all students. Our local Mulberry/Pleasant View Bi-County School District teachers will not have any responsibilities with our fully virtual students. Students will have the opportunity to attend three Zoom sessions per week for each core content course and one Zoom per week for enhancement courses (i.e. Music, Art, PE). All GFESC K-6 virtual students will be required to attend a minimum of one Zoom session per week. It is highly encouraged that students attend all Zoom sessions each week. Research shows that students who attend Zoom sessions are more successful than students who do not attend Zoom sessions. GFESC K-6 Virtual Teachers and students will be able to communicate twenty-four hours a day using the Red Comet - Buzz Learning Management System or through the ESC email system. Virtual teachers and/or paraprofessionals are expected to communicate with parents and students in the ESC K-6 Virtual program on a daily basis Monday - Friday.

Virtual Arkansas is a "high touch" virtual learning experience that harnesses the benefit of synchronous or "live" instruction married with aligned asynchronous courses. This allows for students and instructors to develop relationships, address needed "just-in-time" instruction, and flexibility with learning. At the High School level, students are provided the opportunity to attend two Zoom sessions per week, per content area, and request additional one:one Zoom sessions as needed. While Zoom sessions are not required, they are highly encouraged as empirical data has shown students who attend Zoom are shown to be more successful than students who do not attend Zoom. All Mulberry/Pleasant View Bi-County School District 7-12 virtual students will be required to attend a minimum of one Zoom session each week. Research shows that students who attend Zoom sessions are more successful than students who do not attend Zoom sessions. Students/teachers are also able to communicate 24/7 via the CANVAS LMS messaging or the SIS email system that is monitored by Virtual Arkansas. Teachers are expected to reply to students within 24 hours of a student communication during the school week. Students are expected to read and interact with messages in their courses on a daily basis during the school week.

Students wishing to participate in CTE course will need to attend on campus instructions 100% of the time. No virtual or blended options are available for CTE courses.

What delivery approach will the school or district utilize to meet the needs of both teachers and students (i.e., virtual (online) / remote (distance) or blended (hybrid)? Please explain.

Mulberry/Pleasant View Bi-County School District will utilize online virtual (remote) learning through the GFESC K-6 Virtual option. The program will provide instruction using a dual model of both synchronous and asynchronous online learning. Students will engage in digital coursework through the Red Comet - Buzz Learning Management System (LMS). All students will have the opportunity to participate in live Zoom sessions for synchronous learning with the teacher. All learning and instruction will be virtual.

Mulberry/Pleasant View Bi-County School District will utilize online virtual remote learning through Virtual Arkansas. Virtual Arkansas utilizes a synchronous and asynchronous approach or true blended model to online learning. Students will engage in their digital coursework through the CANVAS Learning Management System (LMS). Students will have opportunities to engage in synchronous learning through live scheduled Zoom meetings with their teacher. All learning will take place online.

Students wishing to participate in CTE course will need to attend on campus instructions 100% of the time. No virtual or blended options are available for CTE courses.

Will teachers be dedicated to primarily remote instruction or serving in a dual role, teaching both remote and in-person learners?

Â *If teachers will serve in a dual role, describe whether it will be simultaneously, meaning remote and in-person at the same time with course/schedule specific considerations.

Mulberry/Pleasant View Bi-County School District will use the GFESC K-6 Virtual option for delivery of instruction for students that are 100% virtual.

Mulberry/Pleasant View Bi-County School District will provide an Arkansas certified teacher of record and a District Point of Connection. Angela Graham, Gifted and Talented Coordinator of Mulberry/Pleasant View Bi-County School District will be the point of connection between the district and GFESC K-6 Virtual option. The GFESC K-6 Virtual option will provide training and support for the District Point of Connection. The GFESC K-6 Virtual option will have Arkansas certified teachers as the instructors for all course content from the Red Comet - Buzz LMS. The GFESC K-6 Virtual option is a model with synchronous targeted instruction partnered with asynchronous course content and enrichment. All GFESC K-6 Virtual teachers and paraprofessionals will be required to participate in professional development and digital training with support from the GFESC K-6 Virtual Coordinator.

Mulberry/Pleasant View Bi-County School District will be using Virtual Arkansas for its delivery of instruction for our 7-12 100% virtual students. Virtual Arkansas provides a fully certified Arkansas teacher of record while we provide the facilitator. Mulberry/Pleasant View Bi-County School District will provide a paraprofessional who will serve as facilitator and liaison for its students who are utilizing Virtual Arkansas. Virtual Arkansas provides training and support for facilitators via the Facilitator Coordinator. This model is a true blended model with synchronous targeted instruction partnered with asynchronous course content and activities.

Students wishing to participate in CTE course will need to attend on campus instructions 100% of the time. No virtual or blended options are available for CTE courses.

The GFESC K-6 Virtual option students will be required to attend a minimum of one Zoom session per week. It is highly encouraged that students attend all Zoom sessions each week. Research shows that students who attend Zoom sessions are more successful than students who do not attend Zoom sessions. Teachers and students will be able to communicate twenty-four hours a day using the Red Comet - Buzz Learning Management System or through the GFESC email system. Virtual teachers and/or paraprofessionals are expected to communicate with parents and students in the GFESC K-6 Virtual program on a daily basis Monday - Friday. GFESC K-6 Virtual teachers are expected to monitor students and provide a weekly status report to students and parent/guardians, and initiate further contact with students that are demonstrating difficulties with course content. GFESC K-6 Virtual teachers are required to respond to parent/guardian/student communication within a twenty-four hour time period. All teachers are continuously provided PD and/or support for engaging and relevant synchronous instruction.

For students in grades 7-12 utilizing Virtual Arkansas courses, teachers actively monitor their courses, provide synchronous sessions and maintain regular communication via the LMS and SIS messaging systems. Each week teachers send a grade report to the student and parent/guardian, and initiate further contact with students demonstrating difficulties with course content. Students are highly encouraged but not required to attend all Zoom sessions. Teachers are continuously provided PD and support for providing engaging and relevant synchronous instruction.

If utilizing district waivers for **class size**, what supports will the district put in place to support the teacher and students? How will the district monitor and determine if the supports are adequate for teachers who exceed class size in digital learning settings?

The GFESC K-6 Virtual option will utilize district waivers for class size. Each teacher in grades K-3 will be assigned a paraprofessional to help provide support to both the teacher and the students. Each teacher in the 4-6 grades will have a half-time paraprofessional to help provide support to both the teacher and the students. All GFESC K-6 Virtual option teachers and paraprofessionals will be trained on the Red Comet - Buzz LMS and provided support through professional development. The GFESC K-6 Virtual option Coordinator will also provide support for teachers and parents as needed.

100% virtual (online) or remote (distance) classes are considered large group instruction courses as per DESE Rules for Distance and Digital Learning and teaching load would not apply as per DESE Rules Governing Class Size and Teaching Load. The district will provide facilitators who work with Virtual Arkansas teachers to keep students in grades 7-12 on task, and/or local tutors or teachers available to provide one-on-one support in addition to what Virtual Arkansas provides.

If utilizing district waivers for **teaching load**, what supports will the district put in place to support the teacher and students? How will the district monitor and determine if the supports are adequate for teachers who exceed teaching loads in digital learning settings?

School districts that are using the GFESC K-6 Virtual option as a digital learning solution for students that are 100% virtual will make it possible for teachers on-site in the district to focus solely on face to face students, and virtual teachers to focus solely on virtual/digital students. Each teacher in grades K-3 will be assigned a paraprofessional to help provide support to both the teacher and the students. Each teacher in the 4-6 grades will have a half-time paraprofessional to help provide support to both the teacher and the students. The teachers will utilize the paraprofessionals for communication with students and/or parent/guardians, instructional support, differentiation, etc. The GFESC K-6 Virtual Coordinator will communicate regularly with the District Point of Connection, as well as perform multiple observations/evaluations to monitor the teacher and/or students. Information gathered through observations will be shared with each respective school district and adjustments made as needed.

By using Virtual Arkansas as the 100% digital learning for students in grades 7-12, the Mulberry/Pleasant View Bi-County School District will minimize the load/responsibility of on campus instruction by allowing face to face teachers to focus on those students. .

Note: Virtual Arkansas partners with schools to ensure student success. In cases where districts are using virtual Arkansas, teacher training and support is solely the responsibility of Virtual Arkansas. Partnership with the schools regarding providing a facilitator and communication back and forth pertaining to students is an ongoing part of the support expected in this model (synchronous/asynchronous) of instruction. To that end, the district will provide paraprofessionals in that support role for students.

Technology / Platforms

Identify the learning management system/content management system that schools and districts will use? (Canvas, Buzz, Google Classroom, etc.)

The Red Comet - Buzz Learning Management System (LMS) will be utilized for the GFESC K-6 Virtual option. Additionally Mulberry/Pleasant View Bi-County School District K-2 students and parents use Seesaw and grades 3-4 students and parents use Google Classroom as its LMS for student/school communication.

The Canvas Learning Management System (LMS) will be utilized through Virtual Arkansas. Additionally, Mulberry/Pleasant View Bi-County School District 7-12 students and parents use Google Classroom as its LMS for student/school communication.

Describe the digital content that will be available to students, including any digital curriculum and supports that are available to teachers. If the district is using a content management system (CMS), please specify grades levels and subjects that the CMS will address.

The Red Comet Courseware curriculum is aligned to the Arkansas State Standards, Common Core, and the Next Generation Science Standards. Courses consist of direct-instruction videos, rigorous assignments, performance tasks, and assessments to engage all students. The Red Comet - Buzz LMS allows teachers to customize all courses to match district and/or state frameworks, scope and sequence, and pacing guides. The GFESC K-6 Virtual option teachers and paraprofessionals can monitor student progress using the Gradebook and Reporting features built into the LMS. Each teacher will have an Educator Dashboard that allows for full program management by student, subject, teacher, grade level, assignment, district, etc. School district administrators, District Point of Connection, and the GFESC K-6 Virtual option Coordinator have full access to the Reporting feature of the LMS as well.

Virtual Arkansas courses are designed and written by subject matter experts (SME's) and who are Arkansas Certified teachers. Virtual Arkansas courses and content are designed and developed using the Arkansas State Standards, Quality Matters standards, and the National Standards of Quality of Online Courses as their foundation. This process includes an internal review of the courses by Quality Matters certified online course reviewers. Courses are designed to be fully ready for student interaction and teachers have all the content needed to effectively provide support and instruction to students.

What video communication software is required for any remote student? Please describe the video communication software the teacher will use to facilitate live conferences between two or more participants.

The GFESC K-6 Virtual option teachers and students will be utilizing Zoom video software for all synchronous learning opportunities. The Zoom software/app is downloaded to the district provided device and checked out to each 100% virtual student. The GFESC K-6 Virtual option teacher will provide synchronous instruction sessions with students via Zoom during scheduled times throughout each week. The Zoom link and Zoom schedule for each course will be posted in a common location within each course for easy use by both students and parents/guardians.

Students will be utilizing Zoom video conferencing software to participate in synchronous learning sessions with their teacher. The Zoom software is downloaded to the district provided device. The Virtual Arkansas teacher will utilize Zoom to facilitate synchronous sessions with students during scheduled Zoom sessions during the week. The Zoom link and Zoom schedule is placed in a common location within each course.

Describe the technology access (device and connectivity) that will be provided to each digital learning student to ensure each student receives a free public education.

Each 100% virtual student will be assigned a district device. Students who do not have reliable internet service may request a district-issued hotspot. Wi-Fi will be available at the Marvin Primary and MHS campuses.

Student Supports

Describe the manner and frequency the district or school will use to monitor the wellness and safety (food security, physical, mental health, etc.) of students in a total remote setting. (This may be in-person, video communication, etc.). Identify supports available to assist students within the district.

GFESC Virtual teachers are trained to employ actions and behaviors to ensure the physical and mental health of students. GFESC K-6 Virtual teachers use a variety of methods of communication to do this and partners with schools to ensure students are cared for. When a situation arises where intervention is determined to be needed beyond what can be done virtually, GFESC K-6 Virtual teachers will contact the partnering school including the facilitator and counselor to step in to provide intervention. GFESC K-6 Virtual teachers are trained to report any suspected maltreatment/abuse to the Department of Health Services. Additionally, GFESC K-6 Virtual teachers provide ongoing professional development to their teachers to support SEL strategies.

Virtual students will have access to the school meal program available through daily pickups at the closest campus with notification to the school by 9:30 a.m.

Virtual Arkansas teachers are trained to employ actions and behaviors to ensure the physical and mental health of students. Virtual Arkansas uses a variety of methods of communication to do this and partners with schools to ensure students are cared for. When a situation arises where intervention is determined to be needed beyond what can be done virtually, Virtual Arkansas will contact the partnering school including the facilitator and counselor to step in to provide intervention. Virtual Arkansas teachers are trained to report any suspected maltreatment/abuse to the Department of Health Services. Additionally, Virtual Arkansas provides ongoing professional development to their teachers to support SEL strategies.

Virtual students will have access to the school meal program available through daily pickup at the closest campus with notification to the school by 9:30 a.m.

Mulberry/Pleasant View Bi-County School District Administrators and Counselors will follow up on all concerns issued by GFESC K-6 Virtual and Virtual Arkansas teachers.

Describe the manner and frequency the district or school will use to monitor the academic and student engagement in a virtual setting. Describe the additional supports available for students struggling with engagement.

Mulberry/Pleasant View Bi-County School District has access to the Red Comet - Buzz LMS to monitor students in real time. Virtual option teachers will initiate intervention when a teacher determines a student isn't actively engaging or successfully mastering the content. In cases where needed, Virtual option teachers will involve the partnering school through the Point of Connection, first. GFESC K-6 Virtual option coordinator will contact administrators if the initial intervention is not successful.

Mulberry/Pleasant View Bi-County School District has access to the Virtual Arkansas SIS and the CANVAS LMS to monitor students in real time. Virtual Arkansas teachers will initiate intervention when a teacher determines a student isn't actively engaging or successfully mastering the content. In cases where needed, Virtual Arkansas will involve the partnering school through the facilitator, first. Virtual Arkansas will contact administrators if the initial intervention is not successful.

Mulberry/Pleasant View Bi-County School District administrators will make contact with struggling students and their parents to help resolve engagement or unsuccessful mastery of content issues.

Describe the Academic Response to Intervention plan for remote (virtual) students, including additional supports and personnel.

The GFESC Virtual option teachers have been trained to identify and intervene with immediacy when a student is determined to not be successful. They are trained to deliver Tier 1 and 2 interventions and, if those are not successful, reach out to the partnering school regarding additional Tier 2 or Tier 3 interventions. GFESC Virtual option also has a PLC structure designed to address intervention with targeted intervention meetings that occur in the 4th and 7th weeks of the 9 weeks.

Additionally, Virtual Arkansas teachers have been trained to identify and intervene with immediacy when a student is determined to not be successful. They are trained to deliver Tier 1 and 2 interventions and, if those are not successful, reach out to the partnering school regarding additional Tier 2 or Tier 3 interventions. Virtual Arkansas also has a PLC structure designed to address intervention with targeted intervention meetings that occur in the 4th and 7th weeks of the 9 weeks.

Mulberry/Pleasant View Bi-County School District Point of Connection, facilitators and/or administrators will make contact with struggling students and their parents to provide support.

Describe the district or school's formative assessment plan to support student learning.

The GFESC K-6 Virtual Option has periodic formative assessments, checks for understanding, and pre-tests to determine students' mastery of learning throughout the modules of a course that are aligned to the summative module assessments. There are varied methods of assessment utilized both through the asynchronous course with open ended discussions/assessments, choice response activities, multiple choice, and hybrid assessments(open ended and multiple choice). Teachers also use weekly live Zoom to do informal formative checks to ensure clarity for students on asynchronous learning tasks.

Virtual Arkansas courses have periodic formative assessments, checks for understanding, and pre-tests to determine students' mastery of learning throughout the modules of a course that are aligned to the summative module assessments. There are varied methods of assessment utilized both through the asynchronous course with open ended discussions/assessments, choice response activities, multiple choice, and hybrid assessments(open ended and multiple choice). Teachers also use weekly live Zoom to do informal formative checks to ensure clarity for students on asynchronous learning tasks. MPV will provide proctoring, monitoring of student progress, and support as needed.

Describe how dyslexia screening and services will be provided to digital learning students.

Mulberry/Pleasant View Bi-County School District will ensure that all dyslexia law requireents are met for digital learners by providing dyslexia screening and interventions as necessary. Digital students who qualify for services will receive ZOOM invitations to participate in their group's intervention session at the designated times each week.

The GFESC K-6 Virtual Option provides accessibility tools to support students with dyslexia. Dyslexia screening is provided virtually and on-site as necessary by district staff. Digital learning students identified with characteristics that could be associated with dyslexia are grouped with other students from their home school who have similar assessment results. Digital students who qualify for services will receive a ZOOM invitation to participate in their group's intervention session at the designated time.

Virtual Arkansas provides accessibility tools to support students with dyslexia including ReadSpeaker that will read any text in the course to students. Virtual Arkansas will provide the needed accommodations/modifications per the individual 504 plan uploaded into the SIS by partnering school.

Describe how Gifted and Talented supports and services will be provided to digital learning students.

All GT program approval standards will be followed when designing programming for identified gifted students with all GT policies of the Mulberry/Pleasant View Bi-County School District followed by virtual students. All 2nd grade virtual students will complete the district's universal screener at the same time as on-site students in a separate safe location. Additional screening and evaluation will be scheduled through the district GT Coordinator. Students will have the option to participate in on-campus Gifted and Talented classes and/or enroll in G/T courses within the digital platform.

All current Virtual Arkansas teachers have been trained with the GT Secondary Course Content training and have support for gifted learners provided within the course as well as a representation of those learning offerings for documentation for partnering schools. New hires will also be expected to attain this training if they do not already have it. Additionally, Virtual Arkansas provides student perception surveys sent out each semester asking for student feedback on their learning experience. A parent perceptions survey will be conducted as well. Teachers are also encouraged to do informal surveys with students regarding the course learning experience throughout the year.

Describe how English for Speakers of Other Languages (ESOL / ESL) supports and services will be provided to digital learning students.

Mulberry/Pleasant View Bi-County School District will work with ESOL/ESL students to ensure that all LPAC requirements are met for virtual learns. The GFESC K-6 Virtual option provides accessibility tools to support ESOL/ESL and will provide the needed accommodations/modifications per the individual LEP uploaded into the SIS by partnering schools. Licensed teachers and trained paraprofessionals—under the supervision of teachers—work with students to increase their language skills in speaking, listening, reading, and writing. Professional development is provided for teachers and paras to support the language development and academic needs of English language learners. In addition, support is provided for the parents to be fully engaged in their child's education by providing them with training, information, and translation services through Cafecitos and Family Literacy.

Mulberry/Pleasant View Bi-County School District will provide Rosetta Stone as a supplemental support.

Virtual Arkansas provides accessibility tools to support ESOL/ESL and will provide the needed accommodations/modifications per the individual LEP uploaded into the SIS by partnering schools. Mulberry/Pleasant View Bi-County School District School District ESL/ESOL staff will support qualifying students in accordance with their LPAC.

Describe how all Special Education services and supports will be provided to digital learning students, including the process for special education evaluations and conferences.

All Mulberry/Pleasant View Bi-County School District special education students in the GFESC K-6 Virtual option program will receive individualized classroom modifications that meet all requirements of IEP through the GFESC K-6 Virtual option teacher. The Mulberry/Pleasant View Bi-County School District Special Education teachers and paraprofessionals will provide support for IEP students in the GFESC K-6 Virtual option. Services and supports will be determined by the student's IEP committee. This committee will determine the method of delivery of services. Accommodations will be provided through the Red Comet - Buzz LMS. Students will be scheduled on-site for special education evaluations. Conferences will be conducted virtually if possible.

Virtual Arkansas teachers will provide information for evaluations and conferences when requested. Mulberry/Pleasant View Bi-County School District will upload the modification/accommodation sheet to the Student Information System (SIS) within the first 10 days of school or enrollment if enrollment occurs after school begins. Virtual Arkansas courses are designed in such a way that all applicable accommodations/modifications can be met in the course in conjunction with services provided by the partnering school. Mulberry/Pleasant View Bi-County School District Special Education teachers and paraprofessionals will provide support for IEP students in the Virtual Arkansas option. Special Education services and supports will be determined by the student's IEP committee. This committee will determine the method of delivery of services. Accommodations will be provided through the LMS. Students and parents will be scheduled on-site for special education evaluations. Conferences will be conducted virtually if possible.

Describe common and frequently used digital accommodations that the district or school has provided to general education teachers to assist students in digital learning classes.

Digital accommodations include but are not limited to: digital copies of notes, text to speech embedded in the learning platform, internet browser text reader, extended time on assignments, flexible assignments, and adaptive intervention resources.

Virtual Arkansas courses meet the guidelines of IDEA and Section 504. All courses are evaluated for accessibility using Web Content Accessibility Guidelines. Additionally, Virtual Arkansas utilizes embedded tools including ReadSpeaker to provide for students who need content read aloud. Virtual Arkansas also follows the Universal Design for Learning Principles to eliminate both visible and invisible barriers to learning.

Teacher Supports

Describe district and school supports to provide on-going digital content and instructional supports for teachers.

Mulberry/Pleasant View Bi-County School District will utilize the GFESC K-6 Virtual Option as the digital content and instructional solution. The GFESC K-6 Virtual Option will incorporate training for the usage of the Red Comet - Buzz LMS and virtual instructional strategies. All GFESC K-6 Virtual personnel will provide both directed/scheduled and embedded professional development activities, book studies, and weekly collaborative teams. The GFESC K-6 Virtual Option will provide a team of instructional and digital content experts for in-time support for all teachers. Finally, GFESC K-6 Virtual Option will have a team of technology support specialists to assist with any technological issues.

Mulberry/Pleasant View Bi-County School District will be utilizing Virtual Arkansas for grades 7-12 as our digital content and digital instruction solution. Virtual Arkansas provides robust online teacher training and development for all new teachers entering the field of online teaching. All Virtual Arkansas teachers are provided both directed/scheduled and embedded professional development activities, book studies, and weekly collaborative teams. Virtual Arkansas provides a team of instructional and digital content experts for just-in-time support for all teachers. Virtual Arkansas also has a team of technology support specialists to assist with any technology issues.

Identify the daily or weekly amount of time teachers will need to develop and plan for instruction based on options selected and digital supports provided. How will the district support teachers with digital content and planning?

Mulberry/Pleasant View Bi-County School District will utilize the GFESC K-6 Virtual Option. The GFESC K-6 Virtual Option will, at minimum, follow the guidelines and policies set by the state of Arkansas in regards to teacher planning time (40 minutes per day). GFESC K-6 Virtual Option will provide instructional and digital content support for point-in-time support for all teachers. The GFESC K-6 Virtual Option will utilize curriculum developed by faculty members and subject matter experts within the Red Comet - Buzz LMS which are aligned to Arkansas state standards. The GFESC K-6 Virtual option will provide professional development to aid personnel as they provide instruction to the students.

Mulberry/Pleasant View Bi-County School District will be utilizing Virtual Arkansas for our digital content and digital instruction solution. Virtual Arkansas teachers will utilize curriculum developed by Arkansas subject matter experts (SME's) aligned to Arkansas standards. Schools will provide a facilitator or facilitators, depending upon the number of students, to aid Virtual Arkansas teachers as they provide instruction to the students. Virtual Arkansas will provide training to the partnering school's facilitator(s) and ongoing support to facilitator(s) through Virtual Arkansas' Facilitator Coordinator.

District Supports

Describe how the district will ensure equitable access to opportunities for success for digital learner's needs (poverty, homelessness, migrant, foster care, and military connected students) A link (URL) to the district equity plan may be acceptable if it meets this criteria.

Mulberry/Pleasant View Bi-County School District will provide all appropriate testing and support services for qualifying students. The GFESC Virtual Option will provide the appropriate testing data, classroom instructional services (as outlined by the appropriate documentation, ie, the IEP), and accommodations as necessary.

See page 35 at the following link: https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/809176/MPV_District_Student_Handbook_20-21.pdf

Mulberry/Pleasant View Bi-County School District will provide all appropriate testing, proctoring, and support services for qualifying students.

All students are expected to test (statewide summative assessments) onsite as per DESE guidance. Provide an overview of how the district may communicate to parents and test digital learning students at a district site.

The Mulberry/Pleasant View Bi-County School District understands that all students are expected to take statewide summative assessments on-site per DESE guidance. Our school district also desires for all of our students to be tested in this manner and will do everything we can to ensure all of our fully virtual students come to campus and test. The Mulberry/Pleasant View Bi-County School District will utilize all of the following methods to notify parents and students of on-site testing dates and requirements: social media, school text messaging system, school building calendars, student handbooks with testing dates, phone calls, mailed newsletters, and the school website. Testing will be set up for digital learning students with flexibility in mind to ensure that all fully virtual students will have the opportunity to test in a safe manner. All GFESC K-6 Virtual option students will be required to do statewide school/district required testing (NWEA MAP, Istation, etc..) at the building/district site. These tests will be conducted and monitored by the school/district personnel. All testing data will be shared by the school/district for analysis by GFESC Virtual option personnel.

Virtual Arkansas requires trained proctors for major assessments. Mulberry/Pleasant View Bi-County School District's plan for students to take proctored assessments includes: Students will contact facilitator to set up a time to take assessment. Students will check in the office, undergo safety protocol, and go to the assigned room for assessment.

Mulberry/Pleasant View Bi-County School District's plan for students to take proctored summative assessments includes: Providing a safe and secure testing environment for virtual students. Parents will be notified of onsite testing dates and requirements through the district by use of building calendars, phone calls, mail, emails, and/or messages through the LMS, and the district mass notification system.

Provide a detailed explanation of how the district will monitor and evaluate the effectiveness of the digital option(s) and the fidelity of implementation as described within this application.

The GFESC K-6 Virtual Option will monitor and evaluate the effectiveness of the digital option and the fidelity of implementation by conducting surveys of parents, schools, and students. The GFESC K-6 Virtual option will analyze student data such as common formative assessments, LMS work, and school/district specific assessments used for formative and summative purposes in order to evaluate the effectiveness of the program.

Virtual Arkansas provides the partnering school with access to the SIS and CANVAS LMS. Facilitators are trained to pull grades from the SIS weekly to monitor student progress. Additionally, parents can access student grades through the Canvas App. Teachers send weekly reports via the SIS messaging that is sent to both student and parent email.

Mulberry/Pleasant View Bi-County School District will monitor and evaluate the effectiveness of the digital option and the fidelity of implementation by conducting surveys of parents and students. Mulberry/Pleasant View Bi-County School District will analyze student data from ACT Aspire, GFESC K-6 Virtual Option grades, school/district specific assessments used for formative and summative purposes in order to evaluate the effectiveness of the program.

Describe how the teacher(s) will engage families into the digital learning process. (District may link the District Engagement Plan if digital learning is included. The plan must address how the district will support parents/students with digital tools and resources)

The GFESC K-6 Virtual Option will engage families into the digital learning process by granting access to the parent portal of the LMS to monitor their student's progress. The GFESC K-6 Virtual option will conduct a parent orientation which will address key strategies for engagements and success in the virtual format. Families will be asked to complete surveys and participate in feedback forums for the program. The GFESC K-6 Virtual Option faculty will also conduct parent/teacher conferences as required by state standards.

In addition, Virtual Arkansas provides parent/guardian informational webinars throughout the school year for families of students in Virtual Arkansas courses. Virtual Arkansas teachers communicate course and grade updates weekly to parents/guardians with provided email addresses. Parents/guardians are also given access to the Parent Canvas App which allows them to monitor their students activity and grades within the course. Family engagement is highly valued and encouraged throughout the year by providing regular Virtual Arkansas updates, emails from teachers, just in time meetings at the local level, and up to date information on the Virtual Arkansas website, including the Virtual Arkansas Parent Guide (linked here).

Mulberry/Pleasant View Bi-County School District policy on family engagement:

*Each student will be provided with the following for virtual learning if needed:

*Chromebook and charger

*iPads will be available for students with special needs in which this is more appropriate

*Families have daily access to a Chromebook and printer in the Parent Center at each building.

*Families may contact the school principal for device help.

*Families who do not have adequate internet access to support virtual learning may request a hotspot.

*Hot spots will be available for students who are designated as homeless and for families in extreme situations of hardship. Families can contact their school principal to inquire about checking one out.

Provide the URL to evidence of the local school board's approval of the waiver request(s).

[^ Back to Top](#)

Feedback from the April 7, 2021 MPV Ready for Learning Committee regarding Digital Learning Plan.

Minutes to the meeting may be found at [Ready for Learning Committee April 7, 2021](#)

- Teachers were happy to hear that they would not be responsible to teach virtually in the 2021-2022 school year.
- There was discussion regarding students who need sped services. These students need to attend face-to-face as the virtual teachers will not provide resource minutes to the students.
- The schedule of the dyslexia services brought up some concern, but interventionist will work this out by setting up zooms with the students. No students participating in dyslexia interventions were virtual in the 2020-2021 school year and this may be the same for next year.
- Overall there was relief that teachers will only be teaching face-to-face in the coming school year.

Feedback from the April 8, 2021 MPV School Board meeting regarding Digital Learning Plan:

- happy with the decision to not have our teachers do both face-to-face and virtual learning.
- Question regarding the district paying for the virtual students' classes were asked.
- Clarified how the district will still be doing various screenings with students on campus
- Discussed that virtual students will be required to participate in state summative testing by returning to campus to test.
- Board voted positively for the Digital Learning Plan
