School got off to a smooth start, minimal hiccups

Proud of the teachers on the JH/HS side for adapting to change and more duties due to less teaching staff. They have rocked the year as one Cardinal Nation to help our students have the best education possible.

School also started fast and furious with games and activities.

Twenty Juniors and seniors are enrolled in 38 college classes.

Still working on policies and updating the handbook.

The hamburger feed was a huge success. First Security Bank served over 500 hamburgers!

Introduced fall athletes and pie in the face fundraiser

The Student Council did an amazing job striping the parking lot. This Friday they will have a get together for the seniors that purchased a spot so they can paint their spot!

The band went and marched in the Beaver County Fair Parade and did a good job! People were excited to see our band and our football/cheer with a float!

The blood drive had twenty-two donors, lots of new students this time!

The teachers are still very grateful for students that are teacher's assistants. This program has been great for students and teachers both.

Coming Up:

Softball

Football (Homecoming is next week)
