Dear Ovid-Elsie High School Families:

We recently became aware of a student at Ovid-Elsie High School that was diagnosed with COVID-19. After an investigation, it was determined that the student was not in school during the time that they were contagious.

Therefore, there is **no risk of exposure at school.**

We want to protect the confidentiality of this individual. At this time, it is our role to tell all the families at Ovid-Elsie High School that we are moving forward under the guidance of the Mid-Michigan District Health Department (MMDHD) and that all measures have been taken to protect the wellbeing of your child(ren).

Again, we ask that all families please monitor for the onset of symptoms related to COVID-19, including fever, cough, difficulty breathing, headache, or new fatigue. If you note any change in the health of your child, please call your regular medical provider.

If you have further questions, you may contact Becky Stoddard, RN, MMDHD Public Health Nurse at 616-302-6435. You may also find more information at:

www.cdc.gov/coronavirus/2019-ncov.

Sincerely,

Dr. Ryan L. Cunningham, Superintendent, Ovid-Elsie Area Schools **#MaskUp #MarauderUp**
