All TeamMates' mentees, their family, and their mentors are invited to a TeamMates ice cream social this Friday, May 7th at 3:30 after elementary track day. Please join us even if your mentor has not been able to meet with you this year or you have lost your mentor. Your family may also attend with you if they are at school to attend elementary track day or come to pick you up. We want to celebrate completing a challenging year!

If there are any students who could help in the concession stand on Thursday for the Jr. High track meet, the Booster Club would greatly appreciate it. It would be a great way to show them your appreciation for all they do for the students here. Please see Tara Rife, Keri King or Jami Sherer for more info.
