2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Mission:

At Lost Hills Union School District, we are fully committed to ensuring students become self-motivated, critical thinkers, and productive members of society, through high expectations in collaboration with parents and community.

Vision:

The Vision of Lost Hills Union School District is to create highly successful schools where students achieve academic excellence in a safe, supportive environment.

Core Beliefs:

We believe that:

- * Lost Hills Union School District is essential to our community's growth;
- * Our principal, teachers, and staff make the critical difference in student achievement;
- * We are responsible for building and maintaining high performing schools that ensure all students will successfully acquire the knowledge, skills, and values necessary for success;
- * Engaging the students' families and the community in the education process enhances learning and academic achievement; and
- * Building positive relationships and cultural understanding will create a welcoming, safe learning environment for all students, parents, and staff.

Superintendent's Message

Lost Hills Union School District is guided by the goal of providing the best schools possible. To reach this goal, the District has committed to three objectives. First objective is high levels of student achievement consisting of academics, and citizenship. Second objective is safety which promotes learning. The third objective is professional growth for staff to meet the changing needs in education. These goals are incorporated into the district's vision and mission statements, and emphasized during our meetings with staff and parents. Being the best school possible allows students to be successful in academics, citizenship and in their careers.

2022-23 School Overview

Community and District Profile

The Lost Hills Union School District (LHUESD) was formed in 1940 from antecedents dating to 1885. Located in rural northwestern Kern County, approximately 45 miles from the central Bakersfield area. The District covers 501 square miles and is composed of mostly large farms. Since 2018, the district has adopted the community school approach to provide whole-child supports around: (1) early childhood education; (2) expanded learning (3) math instruction; (4) family and community engagement; and (5) social and health services. This model is a collaboration with neighboring rural districts with our district serving as the lead agency.

The LHUESD maintains two schools, Lost Hills Elementary School (grades TK-5), and A.M. Thomas Middle School (grades 6-8). During the 2021-22 school year, LHUESD had a total enrollment of 263 students. A.M. Thomas Middle School had a total enrollment of 86 students. Additionally, A.M. Thomas Middle School's 2021-22 student population consisted of 98% Hispanic, 100% Socioeconomically Disadvantaged, 45.3% English Learners, 40% Migrant, and 12.7% Students with Disabilities.

The staff at A.M. Thomas Middle School is dedicated to providing students a challenging academic program that promotes individual and community responsibility. Each year our students gain experiences that prepare them to become successful contributors to society. The instructional focus is geared towards the English Language Learner (ELL) program and the Migrant Sheltered English Program. These programs include hands-on project-based instruction, especially in the sciences.

The goal at A.M. Thomas Middle School is to provide an excellent education through our dedicated teachers and administration.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Lost Hills Union School District held a Public Hearing in September 2022 and determined that each school within the district has sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

There is an adequate supply of textbooks for every student, including English Language Learners. Instructional materials for health, as well as science equipment are aligned with state standards and there is a sufficient supply. The chart below reflects the textbooks in use at A.M. Thomas Middle School during the 2021-22 school year.

The library is stocked with thousands of books that are available for students to check out. The library is staffed by a part time library clerk. Students visit the library on a regular basis and may also visit the library before and after school. The library contains six desktop computers that allow students to check out books and research information. In addition, Kern County provides a mobile book library that visits the Lost Hills Union School District once a week for half a day.

There is one computer lab on campus with 30 computers. Additionally, each student is assigned his/her own Chromebook. Students receive computer-assisted instruction on a daily basis. Students have been trained on a variety of software programs including, Accelerated Reader, Accelerated Math, Canvas, Illuminated and word-processing application. ELL students have access to specific software that helps boost basic English skills.

Each classroom at Lost Hills Union School District has Internet access, and all teachers have their own computer. Teachers have access to a variety of audio and visual resources to enhance students' time spent in the classroom.

School Facility Conditions and Planned Improvements

The Lost Hills Union School District places a strong emphasis on ensuring the safety of all students and staff members. The school's maintenance/ custodial staff of five keeps the facilities in compliance with all federal and state health and safety regulations. The TK-8 campus is currently comprised of 33 classrooms, one staff room, a library, a media learning center, a multipurpose room, a fitness center, one computer lab, and two playgrounds. The chart below displays the results of the most recent school facilities inspection.

Cleaning Process

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school or district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At the time this report was published, 100% of restrooms on campus were in good working order.

Deferred Maintenance Budget

Lost Hills Union School District participates in the School Deferred Maintenance Program. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and flooring. For the current school year (2022-23), Lost Hills Union School District budgeted \$68,582 for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	39	N/A	39	N/A	47
Mathematics (grades 3-8 and 11)	N/A	26	N/A	30	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at A.M. Thomas Middle School. Parents volunteer in classrooms, for special events, fund-raisers, and field trips as chaperones. Parents can participate in various school/district committees such as School Site Council (SSC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), and Migrant Education Parent Advisory Committee (MPAC).

Parents may also participate in a variety of school activities such as Back-To-School Night, Open House, Parent-Teacher Conferences, Awards Assemblies, Extra-Curricular and Athletic Events, Fall Parade, Winter Program, and Parent Education meetings.

The school informs parents of student progress through Progress Reports, Report Cards, Parent Conferences requested by parents or teachers, Teacher/Principal letters, and Telephone calls.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	0.63	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

A comprehensive school safety plan is in place to ensure a secure, peaceful, and clean environment for the school community. The plan is reviewed each fall by the Safety Committee, which consists of the Superintendent, Assistant Superintendent, Principal, maintenance/custodial staff, selected school staff, and student representative. The school's disaster preparedness plan identifies procedures to follow during emergencies and natural disasters. Emergency drills, including fire, earthquake, and intruder are conducted monthly.

At A.M Thomas Middle School every effort is made to ensure students are monitored while on campus throughout the school day. Faculty members, administrators, and yard duty monitors are responsible for supervising students before and after school, at recess and during lunch. All visitors are required to check in and sign out at the office and wear a badge at all times.
